PRICE FIVE CENTS

ANOTHER DAY OF WHEAT PRICE GAINS AT WINNIPEG

Russo-Japanese Tension May Lead To U.S. Move

Hoover Ready To Test Kellogg Pact In Manchuria

Awaits Reports From Consul-General on Latest Developments in Northern Part of Chinese Province; Japanese Government Drafting Note to League Council Reiterating Its Demands on China

Canadian Press
Washington, Nov. 4.—Possible further action by the United States Government in the Manchurian situation hinged today on confidential reports to Secretary of State Stimson from George Hanson, Consul-General at Harbin.

Mr. Hanson for several days has been gathering first-hand information in the northern area, where Japanese troops have been reported moving nearer the Siberian border.

State Department officials look on the Russo-Japanese aspects of the matter as extremely delicate. Should an open rupture threaten, the United States would not hesitate to act, possibly by invoking the Kellogg-Briand Anti-war Pact.

Associated Press
Tokio, Nov. 4.—While its troops moved farther into Manchuria and encountered Chinese machine guns in one instance, the Japanese government to-night began drafting a note to the League of Nations insisting China recognize the validity of treaties under which Japan operates in the Chinese territory.

The Japanese note will be in reply to that of Aristide Briand, acting president of the League Council, setting forth his views regarding the five fundamental principles to which the Tokyo government previously had asked China to subscribe as a prerequisite to the withdrawal area of Manchuria.

TREATY OF 1915
Tokio will contend one essential point must be China's recognition of the 1915 treaty, under which Japan was given certain rights in Chinese territory.

Until the question was raised at Geneva, Japan took it for granted the 1915 pact was not challenged by the Chinese.

China contends that treaty, originating out of the "Twenty-one Demands," was signed by the Chinese under duress and therefore was illegitimate. Japan maintains the treaty was legitimate.

SAANICH TO DO FEDERAL JOB

Road to Observatory to Be Rebuilt By Municipal Workmen, Dickie Notified

Saanich Municipality will probably be given the contract for reconstruction of the road up Little Saanich Mountain, which is expected by the Dominion Government to cost about \$20,000. Information to this effect has been given C. H. Dickie, M.P., in a telegram from Ottawa.

The Saanich council recently offered to construct the road to the Dominion Astrophysical Observatory for the federal government, the basis to be the actual cost of the undertaking. Formal written acceptance of the offer is expected to arrive before the week-end. It is proposed by Saanich that the work for the federal government shall supplement the unemployment relief programme now in progress, enabling the municipality to defer works in hand several weeks.

The approved schedule of improvements in progress was estimated to cost \$75,000 and was calculated to provide work until the end of February, when a supplementary schedule of work, to cost \$50,000, was expected to receive approval by the provincial and federal governments.

The Saanich council will meet tomorrow evening in special session to consider unemployment relief reorganization and other matters to be presented by Reeve Crouch.

RADIO SPEEDS POLICE IN RECOVERING STOLEN AUTO

Canadian Press
Vancouver, Nov. 4.—Radio's value in police work had a demonstration early this morning when an automobile reported stolen at 1:45 a.m. was picked up by a prowler car five minutes later. One man was arrested.

When police received word that an automobile owned by W. G. Cliffe at Courtenay had been stolen from a garage on Ormiston Street, Collingwood,

SAMUEL TAKES LLOYD GEORGE'S PLACE AS LEADER

Elected Head of Liberals in British Commons Not in Straight National Group

Lloyd George, Saying He Wants No Party Office, Predicts Sentiment Swing

Canadian Press
London, Nov. 4.—Sir Herbert Samuel, who broke away from the Lloyd George leadership of the Liberal Party before the general election, to-day was elected party leader in place of the veteran Welshman, who had announced he was not a candidate for the job. Thus he becomes the head of one wing of the original Liberal Party. Sir John Simon was elected yesterday as leader of the so-called National Liberals, who go along with the National Government all the way, and Mr. Lloyd George himself still has a more handful of free traders, including his son and daughter. These are all that is left of the original Liberal Party.

None of the National Liberals attended to-day's organization meeting. In a letter to Sir Herbert Samuel, Lloyd George said he did not want to run for any party office.

Thus the veteran strategist "goes into the wilderness."

"OCTOBER FOLLY"
In his letter he expressed regret he could not be present at a gathering of what he described as "only a select group of the Liberal members elected to this Parliament."

"As you are aware," he wrote, "I am completely at variance with the disastrous course into which the party recently has been guided. It may therefore ease matters, and at any rate save embarrassment to my friends, if I write to tell you I am not a candidate for election to any office in the group."

(Concluded on page 2)

FIRE IN HOME OF WALLACE BEERY

Hollywood, Cal., Nov. 4.—Fire which originated from an electric heater destroyed two rooms of the twenty-one-room home of Wallace Beery, featured film player, here to-day and damaged about \$10,000 worth of Oriental rugs, draperies and silverware. Mr. Beery was not at home.

NEWFOUNDLAND TAKES UP CASE OF SUNKEN BOAT

Ottawa, Nov. 4.—Official government records show the vessel Sophie E., sunk early yesterday morning twenty miles from Gloucester, Mass., by the United States coastguard patrol boat Harriet Lane was of Newfoundland registry.

Any representations through diplomatic channels to Washington regarding the alleged ramming of the vessel by the coastguard patrol boat would be made by Newfoundland through the offices of the British Ambassador in the United States capital.

URUGUAY JOINS ARMS TRUCE

Montevideo, Uruguay, Nov. 4.—Uruguay's adherence to the one-year armaments truce was telegraphed to the League of Nations by the Foreign Office yesterday.

they immediately broadcast the information over their short wave station.

The message was picked up by all five prowler cars which are carrying radio equipment. One attached to B division spotted the stolen car on Kingsway and gave chase.

At Kingsway and Broadway the police car overtook the stolen vehicle and placed the driver under arrest on a charge of theft.

PROHIBITIONISTS SAY HE IS OUT OF 1932 U.S. ELECTION

ALFRED E. SMITH

Washington, Nov. 4.—The National Prohibition Board of Strategy to-day said that "Alfred E. Smith's elimination from the list of 1932 presidential possibilities is the outstanding fact of yesterday's elections."

"The blow to his prestige in New York state, and thus throughout the country, ends abruptly the recent move to rehabilitate him for the Democratic nomination," the statement said.

"Beside this result all other results in the nation lose significance."

BROUGHT ESKIMO BABY SOUTH TO ENTER HOSPITAL

Miss Jean Dempster, Who Caught Last Boat Out of Nome, Owns Husky Dog

Traveled With Crew of Frozen-in Hudson's Bay Steamer Baychimo

With her husky dog Klondike and little Roy O'Connor, Irish-Eskimo, Miss Jean Dempster, music teacher and traveler, caught the last boat out of Nome before the winter freeze-up and reached Victoria to-day via Seattle. She came in by the St. Tropez and is visiting her friend, Mrs. F. M. Winter, 646 Dunsmuir Street. She will leave this evening for San Francisco.

Roy, the three-year-old Eskimo boy, who was in Miss Dempster's charge during the voyage from Alaska, had never tasted fresh cow's milk before leaving Nome. He is acquainted with the interior of an igloo and has eaten many raw blubber sandwiches in his short life, but until he reached Seattle he had never seen a street car or ridden in an elevator.

From the moment he was carried down the boat's gangway by Miss Dempster, Roy's eyes snapped with interest as the panorama of civilization was unfolded before him. The tragedy of the little Eskimo boy's life is that he cannot walk. To-day he is an inmate of the Children's Orthopedic Hospital at Seattle, where he will be maintained at the U.S. government's expense until he is better.

He is going to get butter and eggs to eat and plenty of milk to drink. He expects to become strong and able to walk some day, when he will return to the rim of the Arctic to tell them about the fabled sort of places he has seen since he left the region of ice and snow.

BIGGEST DOG IN TOWN
Miss Dempster's giant husky dog is attracting widespread attention in the city to-day. She raised Klondike from a husky pup and it is now seventeen months old.

The steamer Victoria, on which she came south from Nome, will return to the rim of the Hudson's Bay steamer Baychimo, which is frozen in off Point Barrow. Two cabin loads of the Baychimo's crew were brought out from Point Barrow to Nome by airplane.

Zamora to Be Nominated As Spain President

Madrid, Nov. 4.—The government has decided to offer a nomination for the post of first regularly elected President of Spain to Niceto Alcala Zamora, former Provisional President. It was learned to-day.

It was predicted the presidential election will be held before Nov. 20.

NEW BUSINESS OPTIMISM AT BRANTFORD, ONT.

Brantford, Ont., Nov. 4.—With Brantford millers offering a cash price of fifty cents a bushel for home-grown wheat, Brant County farmers are more optimistic. The upturn in wheat prices is expected to be of particular benefit to Brantford, a centre for the manufacture of agricultural implements. A definite improvement trend is seen in local factories.

Quake Sinks Japan Island in the Ocean

Word Comes of Disappearance of Sankan, Uninhabited Piece of Land, During Shocks

Canadian Press
Tokio, Nov. 4.—An earthquake which shook all of northeastern Japan at 1:30 o'clock this morning, caused the disappearance of the uninhabited island of Sankan, off Port Kamashii, into the sea. It was the most severe quake in years in that section, but no loss of life was reported, and there was no word of any serious property damage in advices received here.

Many telephone and telegraph lines were broken down and stone fences overturned. Tens of thousands of persons, aroused from slumber by the shocks, refused to return to their homes and spent the remainder of the night in the open.

At Miyako Observatory, near where the shock was the heaviest, the seismograph needle was thrown out of gear and the amplitude of the quake consequently was not measured.

Experts said the shock had no connection with the quakes which shook Kyushu Island, in southern Japan, Monday and Tuesday.

FORMER PRAIRIE MERCHANT DIES

Late Wm. Johnston Pioneer of Brandon; Here Eighteen Years

William Johnston of 15 Cook Street, a pioneer of Manitoba and a resident of Victoria for eighteen years, passed away this morning at the Jubilee Hospital, Ontario, on December 14, 1849, and settled in Brandon, Manitoba, in the early days before the railroad reached that city, engaging in business as a dealer in farm implements and machinery. He entered into the wholesale business in Winnipeg.

He retired from 1898 to 1907, when he retired and came to Victoria shortly afterwards to reside.

The late Mr. Johnston was a member of A.P. & A.M. Scottish Rite, Winnipeg Lodge of Perfection and Victoria Lodge of Perfection, and of the Victoria Lawn Bowling Club.

(Concluded on Page 2)

ELECTIONS GIVE HOOVER HOSTILE LOWER HOUSE

Associated Press
Washington, Nov. 4.—The Democratic push started last November attained greater proportions in yesterday's elections virtually to shove the party into control of the next House of Representatives and reclaim the governorship of New Jersey.

The revolt of District 8 in Michigan, abandoning republicanism for the first time since 1896, gave the Democrats a house majority of one and with it the best chance for control in thirteen years.

Both there and in the New Jersey gubernatorial contest, the Democratic candidates went to the polls in search of a rebuke to the national Republican administration.

OHIO RESULT
Another strategic position, the first Ohio congressional district, went to the Democrats, as the late Speaker Nicholas Longworth, remained in the Republican column by a substantial vote after a campaign fought on local issues.

In New York, where the controversy of Governor Franklin D. Roosevelt and the former Governor and Presidential nominee, Al Smith, attracted nationwide interest because of the personalities involved, the former won a sweeping victory. The dispute centered on a Roosevelt-sponsored amendment to the state constitution providing for public reforestation.

PROHIBITION MODIFICATION
Over the elections hung the omnipresent shadow of prohibition, and to the opposition went the fruits.

PEGGY SALAMAN AT KIMBERLEY

Kimberley, Union of South Africa, Nov. 4.—Miss Peggy Salaman, flying from London to Capetown, arrived here to-night.

PERU FACTIONS FIGHT

Lima, Peru, Nov. 4.—Reinforcements for the garrison at Trujillo were dispatched to-day, following reports of an armed uprising there. Dispatches said authorities were in control, but that a strike was in progress on sugar plantations.

STARTS SERVING TERM IN JAIL

LORD KYLSANT
London, Nov. 4.—Baron Kysant, formerly chairman of the Royal Mail Steam Packet Company, and one of the dominating figures of the British shipping world, entered prison to-day to serve a twelve-month sentence for falsifying the company's financial statements.

His appeal against the sentence, which was pronounced by the criminal court last June, was denied by the Court of Appeals to-day and he was taken to prison immediately. He had been free on bail pending the appeal.

BIG HARVESTER PLANTS PUT MEN BACK TO WORK

International Operations Resumed in Canadian and U.S. Machinery Factories

Associated Press
Chicago, Nov. 4.—Officials of the International Harvester Company stated here to-day it had resumed operation November 1 in all its Canadian and United States plants. By the end of the week several hundred men will be back at work at wages ranging from 10 to 20 per cent under the former rates.

Seniority rights, according to the officials, will be observed in the re-employment, and married men will be given preference. The new schedule in most plants increasing the week to four days will affect approximately twenty plants.

SHOE FACTORY ON OVERTIME

Canadian Press
Tillsonburg, Ont., Nov. 4.—Industrial conditions in Tillsonburg are displaying a marked improvement. The Tillsonburg Shoe Company Ltd., running a full staff, has been compelled to work overtime three nights a week. These conditions will continue for several weeks to keep up with orders on hand, it is said.

U.S. MINISTER TO SPEAK HERE

Col. C. H. H. MacNider, Minister to Canada, Will Give Address This Winter

When Col. Charles H. MacNider, United States Minister to Canada, comes west this winter he will address a meeting of the Victoria Canadian Club. It was announced by John Cochrane, chairman of the speakers' committee of the club.

The Victoria club invited Col. MacNider to speak to it shortly after he was appointed to the post of Minister of Canada. At that time he stated he would be happy to accept, but did not contemplate coming west for some time. When he did, the United States envoy added, he would be pleased to speak in Victoria under the club's auspices.

SEVENTEEN HURT IN SPAIN CLASH

Badajoz, Spain, Nov. 4.—Seventeen persons were wounded to-day, four of them seriously, in a shooting affray between civil guards and hunters on an estate.

BIG WELCOME FOR MACDONALD AT LOSSIEMOUTH

Lossiemouth, Scotland, Nov. 4.—Every able-bodied man in Lossiemouth turned out to-day to welcome Premier MacDonald, who arrived this morning for a brief rest after the strenuous political campaign.

His automobile was hemmed in by the crowd and hundreds of children pushed it from the railway station to Mr. MacDonald's home, while the Prime Minister sat in the back seat, bareheaded and smiling.

The time of his visit has not been decided.

Unsteady Start of Day's Grain Trading Followed By Large Scale Buying

At Winnipeg November Wheat Closes Day's Session 70 3/4 Cents, December 70 3/4 and May 74 1/4 to 74 3/4; Influence of Strong Market at Chicago Felt at Canada's Grain Centre

LORD KYLSANT

Canadian Press
Toronto, Nov. 4.—Sergt. John Leopold of the Royal Mounted Canadian Police acted for eleven years as secretary of the Regina branch of the Communist Party of Canada, he disclosed at the trial of nine Communists here to-day. Sergt. Leopold said that under the name of E. W. Esselwain he had attended all conventions and performed the duties of a Communist. His testimony created a sensation in the court room.

The nine men, Tim Buck, Tom Ewen, John Boychuk, Amos Hill, Malcolm L. Bruce, Samuel Cohen, Matthew Popovitch, Mike Golinski and Thomas Cacic, are charged with being members of an unlawful association, acting as members of such an association and with being parties to a seditious conspiracy. Mr. Justice Wright is presiding at the trial at the fall session.

FOUR REPORTED SEEKING POLICE BOARD SEAT

Interest High in Contest For One Vacancy on Commission

Prospects of a hot fight for the vacant seat on the Board of Police Commissioners at the December election were held out in civic circles to-day as rumors of at least four candidates for the honor were flying.

After the events which followed last year's police board election, keen interest is expected in the polling this year. Commissioner Mrs. Dorothy North, elected last December, will retain her seat for another year and Commissioner Andrew McGavin will conclude his term at the end of this year.

Although confirmation was lacking, it was stated this morning Commissioner McGavin would seek re-election. It is reported that there is a possibility of three other candidates, one of which will be named by the Victoria Ratepayers' Association. Walter E. Staneland, who served on the board for a number of years, may stand again, according to reports, and Dr. Stanley Miles, who contested the school board election last year, will be asked to run for the police board.

The probable fight for commission honors indicative of the general interest in the civic campaign. Already an interesting contest for the mayoralty is promised and in the aldermanic field it is practically certain there will be at least two candidates seeking every seat. Alderman Alex. Feden has already announced he will seek reelection.

CONFERENCE ON INDIA HALTED

Little Possibility of Early Progress Is Seen For Delegates in London

By GEORGE HAMBLETON
Canadian Press Staff Correspondent
London, Nov. 4.—The India Round Table Conference appeared to be stuck in a quagmire. Mahatma Gandhi, joint-clothed representative of the Indian National Congress and chief spokesman of those whom he calls "India's dumb millions," conferred yesterday with Premier MacDonald and to-morrow, clad in his lioncloth, will have an audience with King George at Buckingham Palace.

Since the conference was reconvened in the early fall there have been innumerable committee conversations, but the age-old division between the Muslims and the Hindus still has sections of the conference at odds.

Claims of the smaller minorities have not been satisfied by any scheme the conference has suggested. Indian participation (Concluded on page 2)

R.C.M.P. MAN SECRETARY TO COMMUNISTS

Sergt. J. Leopold Surprises Court in Toronto With Story of Activities

Tells of Lengthy Investigation; Nine Men Are on Trial

Canadian Press
Toronto, Nov. 4.—Sergt. John Leopold of the Royal Mounted Canadian Police acted for eleven years as secretary of the Regina branch of the Communist Party of Canada, he disclosed at the trial of nine Communists here to-day.

Sergt. Leopold said that under the name of E. W. Esselwain he had attended all conventions and performed the duties of a Communist. His testimony created a sensation in the court room.

The nine men, Tim Buck, Tom Ewen, John Boychuk, Amos Hill, Malcolm L. Bruce, Samuel Cohen, Matthew Popovitch, Mike Golinski and Thomas Cacic, are charged with being members of an unlawful association, acting as members of such an association and with being parties to a seditious conspiracy. Mr. Justice Wright is presiding at the trial at the fall session.

WELL-KNOWN NEWS PHOTOGRAPHER IN VANCOUVER DIES

Vancouver, Nov. 4.—David Lake Denman, aged thirty-five, of East Twenty-seventh Street, North Vancouver, photographer for many years associated with The Vancouver Daily Province, died this morning in the Shaughnessy Military Hospital.

His death, which followed eleven weeks' illness, is attributed to war disabilities received while serving with the 102nd Battalion.

Mr. Denman, a native of Sussex, came to British Columbia nineteen years ago.

He is survived by the widow and two daughters, Joan and Beryl.

MILD WEATHER MAY DELAY ARCTIC PLANE MAIL SERVICE

Calgary, Nov. 4.—Reports from the north country tell of weather conditions heretofore unknown in the bleak, cold territory around Akavik at the mouth of the Mackenzie River.

According to information received here, ice is melting on the Mackenzie River as mild weather continues on the brink of the Arctic Ocean. Warm breezes are sweeping the entire Mackenzie valley, breaking up the ice and preventing planes from landing either on pontoons or skis. Pilots state that for hundreds of miles north of Fort McMurray the ice is not strong enough to bear a ski-lifted plane and would damage machines equipped with floats.

The warm weather threatens to force postponement of the Arctic aerial service, scheduled to open November 20.

PERFECT SPADE HAND ON HER ANNIVERSARY

Seattle, Nov. 4.—Mrs. James E. Moore raised the bid to five spades. Her husband, famed Vancouver, put his spadeless hand and prepared for the worst.

When the battle was over, the Moores had 513 points, including 250 for rubber. Mrs. Moore had celebrated their eighth wedding anniversary by holding thirteen spades.

CONFERENCE IN INDIA HALTED

(Continued From Page 1)

ties to the conference can agree neither on the basis of settlement nor on the methods of reaching a settlement. Some propose the creation of a board of arbitration representative of the various communities of the minorities, some suggest a judicial tribunal to settle the question and others want the British Government to take the responsibility for an imposed settlement. And till some agreement on the communal differences is reached it is recognized that the conference is virtually out of the question.

MACDONALD AT LOSSIEMOUTH

Premier MacDonald to-day retired to Lossiemouth, his Scottish home village, there to consider the Indian problem along with the problem of reconstructing the National Cabinet. The Prime Minister had already made clear his view that the communal problem was one which the Indians themselves must solve. But if they do not succeed in solving it, the British Government will go ahead with its work of finding a solution of the problem of government for India.

ATTITUDE OF PARLIAMENT

In the event, which some observers see as probable, that the conference reaches an inconclusive end, there is the question of what Premier MacDonald will propose doing. The problem before him would be a serious one. The last British Parliament, as it neared the end of its term, showed a somewhat hardening tendency toward India.

With its overwhelming Conservative vote it seems unlikely the new Parliament will be prepared to accept any wide measures of self-government for India.

BUSSES STOP UNLICENSED RADIO OWNERS FOR MINUTE TO HONOR FOUNDER

Tribute Paid To-day to J. S. H. Matson as Organizer of System

A striking tribute to the late J. S. H. Matson, one of the organizers of the Vancouver Island Coach Lines, which he founded was paid this afternoon throughout the whole system of the Vancouver Island Coach Lines. All coaches stopped for one minute at 3:45 o'clock, the period of silence being observed in the main depot at Victoria at all branches at Island points and by drivers on the road.

The silent tribute brought a fitting reminder of the enterprise of the late Mr. Matson who with characteristic energy and foresight launched the present great system of motor bus transportation on Vancouver Island and was mainly responsible for the rapid and remarkable development of the system to the point where it serves all the highways of the Island.

GOVERNMENT TRIBUTE

By formal resolution yesterday the Provincial Executive expressed sincere regret at the loss sustained by British Columbia in the passing of Mr. Matson. The cabinet will extend its condolences in a letter of sympathy to the bereaved.

Hon. C. P. Davis, Speaker in the Legislature, in speaking of the loss the province has sustained, said: "The announcement of Mr. Matson's sudden death came with a terrific shock, and it is hard to be compelled to realize that he has been taken from us. His death has robbed the province of one of its most splendid citizens and the people of a wonderful friend."

"During the thirty years I have known Mr. Matson, every right up to the date of his death, added something more to the cordial friendship which radiated everywhere from his kindly disposition. He was the highest type of the true friend, always encouraging and ever solicitous for the welfare of his friends. He was a man who would help to make life easier for those around him. A greater hearted man would be difficult to find, and it may truthfully be said that no death of any British Columbia resident has been more generally and sincerely regretted, and none more deplorable."

R.C.M.P. MAN SECRETARY TO COMMUNISTS

(Continued From Page 1)

Communist Party as E. W. Esselwain at Regina, he said. He remained a member until 1928, acting as secretary of the Regina branch of the Communist Party. Malcolm Bruce at that time was a member, he said. He had communicated with Communist headquarters and had attended various conventions.

EXECUTIVE IN WINNIPEG

He attended another convention in 1924 and another the following year, he said. There was another convention in 1927, he said. He was a delegate to a meeting of the executive in Winnipeg in 1922.

He accused, except Cohen, Eben, Golin and one, attended the first convention, he said. Bruce, Boychuk and Hill were there, but he did not think Popovitch was present.

At the third convention, Bruce, Hill, Popovitch, Hill and Boychuk, he said. Bruce was not present. At the Winnipeg executive meeting were: Bruce, Hill, Popovitch, and Boychuk, he said. It was in 1922.

While the witness was a member of the party, he said, he was also a member of the central executive committee and was elected a member of the "political bureau," he stated.

WORKINGS EXPLAINED

He explained the workings of the political bureau and central committee, and told of Tim Buck's trip to Russia in 1924. Buck was a delegate to the fifth world congress of the Communist International, he said.

Eben had acted as district organizer in Winnipeg, the witness said, embracing Manitoba and Saskatchewan, he testified.

He had first met Bruce in 1921 in Regina, where he was a member of the party. Bruce had told him he was an organizer.

The witness said he knew Bruce had gone to Toronto to become editor of the Worker, "official organ of the Communist Party of Canada."

NEW AGREEMENTS ON AGE PENSIONS

Ottawa, Nov. 4.—Provincial governments have been notified by the Dominion government that new agreements will be necessary before the federal treasury will proceed to pay 75 per cent of the old age pensions instead of 50 per cent, which was the amount fixed under the old act. The new act was to start July 31 and as it provides for payments each quarter the first quarter is over and it is expected steps will be taken very soon to conclude the new agreements.

BRITAIN BEST U.S. CUSTOMER

Surpluses Canada as Largest Purchaser of Goods; Figures Show Decline From 1930

Washington, Nov. 4.—The United Kingdom supplanted Canada as the best customer of the United States in September, purchasing \$34,589,023 in American goods as against \$28,001,693 for the Dominion.

Both figures showed sharp declines from the same month last year, when the United Kingdom took \$57,845,532, and Canada \$19,778,199 in shipments from the United States.

Commerce Department reports to-day gave the United States a favorable trade balance for September of \$9,853,581 and showed that with Asiatic countries holding up better than on other continents.

Imports from Great Britain were \$13,779,213 in September, compared with \$17,017,363, and from Canada \$21,927,618 against \$32,522,475.

RUSSIA SHIPMENTS GOOD

Shipments to Russia continued to hold up well, amounting to \$10,500,292 against \$4,923,093. Soviet trade representatives said orders for heavy machinery given a year or more ago were just being filled.

Reidar, Russia's Switzerland and China were the only countries showing larger United States purchases. Switzerland took \$937,783 worth of goods and \$4,424,000 worth of services. China took \$933,313, compared with \$1,755,802. Imports from Japan were \$17,255,802 against \$23,242,518 a year ago.

SAMUEL TAKES LLOYD GEORGE'S PLACE AS LEADER

(Continued From Page 1)

"I am hoping that by the New Year my health will be fully restored, and I am looking forward then to the pleasure of co-operating with all those who have at heart the advancement of those ideas to which so many millions rallied hopefully in 1929 (when the League of Nations was founded)."

"For the moment, these causes have been overwhelmed by the calamitous folly of October, and any attempt to revive them will be met with some time with impatience and ridicule."

"That phase will soon pass and all true progressives then can resume the quiet out of which they were so regrettably manoeuvred."

Rt. Hon. David Lloyd George had been a leading figure in the British Liberal party when the outbreak of the World War and became its leader in 1926 when Lord Oxford (Rt. Hon. Herbert H. Asquith) retired. He was then elected Minister of War and Prime Minister he rallied the dwindling Liberal forces behind his standard during the war days.

His quarrel with Lord Oxford over the conduct of the war and later labor strikes weakened the party, however, and it emerged from several general elections with only a handful of members in Parliament. Yet it held the balance of power both during the terms of the Conservative Government of Rt. Hon. Stanley Baldwin and the Labor Government of Rt. Hon. Ramsay MacDonald.

With the formation of the National Government the end of Mr. Lloyd George's leadership was in sight. Sir John Simon led part of his followers away on a protective tariff trail, and Sir Herbert Samuel was generally recognized as the chief of the remaining free trade faction.

FORMER PRAIRIE MERCHANT DIES

(Continued From Page 1)

He is survived by three nephews, W. J. Johnston of the Victoria branch of the Bank of Montreal, R. R. Johnston of Bellingham, and Tolman Johnston in Toronto; four nieces and two stepdaughters. He is survived by a son, Mr. and Mrs. A. A. Buchanan of Whitehead, B.C.

MEN NOW SEEK DIRECT RELIEF

Delegation Visited City Hall at Nanaimo and Informed Matter For Council

Government Agent Wires Provincial Administration Regarding Situation

Nanaimo, Nov. 4.—A mass meeting of unemployed yesterday evening decided to ask for direct relief. The city clerk went to the city hall this morning and asked for direct relief. City Clerk Hackwood informed them that the matter would have to be decided by the council. District men visited Governor Munro and he informed them he would wire Victoria and give them an answer to-morrow. Several young men went to police sergeant Russell after being refused relief, but he informed them he had nothing to do with the matter.

RUSSO-JAPANESE TENSION MAY LEAD TO U.S. MOVE

(Continued From Page 1)

HAGUE COURT PROPOSAL

It was understood here M. Briand had suggested Japan should agree to the Chinese proposal of referring existing Sino-Japanese disputes to the Hague Court for adjudication. This Tokyo considers improper and unfair, but now that the head of the League Council has opened the way for discussion of the treaty problem, Japan will take a stand insisting on the validity of commitments under which Japan operates her extensive interest in Manchuria.

The reply to the Briand note will be in the nature of a restatement of Japan's attitude, emphasizing that a fundamental solution of Sino-Japanese difficulties hinges on Chinese recognition of the 1915 pact.

The note also will say that unless China recognizes and lives up to the terms of that treaty, normal relations between the two nations cannot exist. SAY THEY ARE MISUNDERSTOOD.

Regarding the League Council's insistence on withdrawal of Japanese troops from the occupied zone in Manchuria, the Tokyo government contends that the council does not understand Japan's position.

Tokio holds that unconditional withdrawal would mean a return to the previous unsatisfactory and unsafe conditions and an opening of the way for the "irresponsible authority" of Gen. Chang Hsueh-liang, governor of Manchuria, under the Chinese regime.

The League of Nations is keeping the League informed of all troop movements in Manchuria, particularly outside the Japanese treaty zone of extension of the railway.

AS COVER FOR AGGRESSION

Moscow, Nov. 4.—The newspaper Izvestia to-day charged Japanese militarists had "invented the fable" of possible Soviet interference in Manchuria in order to cover plans for an extension of their own occupation northward "at least until November 16," when the League of Nations Council will meet again.

The Izvestia hoped, the newspaper said, "to weaken the resistance of other imperialist powers by the prospect of a conflict with the Soviet Union, a conflict which desired in imperialist circles in Europe."

Declaring Japan's first explanation was made necessary by the threat of danger from the Chinese, the Izvestia said: "Such an argument proved quite insufficient, even in the eyes of the League of Nations, and a new one was needed."

"The fable was then invented of a danger in Manchuria through the interference of Soviet troops on the side of China in the conflict with Japan, and the provocative story of assistance rendered by the Soviets to the troops of the Chinese General Mah."

UNTRUTHFUL "EYE-WITNESSES"

"Witnesses were mobilized who 'saw with their own eyes' Soviet military instructors, transports and arms moved to the aid of General Mah."

It is impossible the Japanese Government could have believed these rumors, because it has at its disposal organizations which could have proved their stupidity.

Acting Commissioner of Foreign Affairs Karakhan, which left no doubt of the existence of the rumors, they were widely echoed in imperialist circles and readily accepted and circulated in the press.

"Le Temps, at Paris, had the impudence to assert that 'Tokio knows well the value of a declaration of the Soviet Government, which with police constitutes a continuous negation of the rights of civilized nations.'"

"Mr. Briand, a member of the United States Congress, showed phenomenal impudence by declaring: 'Russia is mobilizing vast military forces while the world is sitting on a volcano.'"

MILITARISTS DECLARED DUSY

"The Japanese military clique, which is preparing an extension of its occupation of Manchuria, hoped it could succeed in weakening the resistance of other imperialist powers by the prospect of a conflict with the Soviet Union, a conflict which desired in imperialist circles in Europe popular."

"The position is quite clear. Instead of quitting Manchuria, the Japanese military clique is preparing an extension of its occupation of Manchuria, hoping it could succeed in weakening the resistance of other imperialist powers by the prospect of a conflict with the Soviet Union, a conflict which desired in imperialist circles in Europe popular."

Foss O. Eldred, Republican, was elected in the first Ohio district.

In New Jersey, A. Harry Moore, Democrat, won a decisive victory over his Republican opponent, David Baird Jr., for governor. Incomplete returns indicated the election of a Democratic Assembly.

ROOSEVELT'S VICTORY

Albany, N.Y., Nov. 4.—Governor Franklin D. Roosevelt has won a decisive victory in his test of strength with Alfred E. Smith over a New York state reformation programme.

The election yesterday, however, was only a draw for the Democrats, presidential possibility, the Democrats failing in a determined attempt to wrest the control of the Assembly from the Republicans, leaving the Governor to face another hostile Legislature in January. The Assembly line-up again will be eighty Republicans and seventy Democrats.

National attention was drawn to the New York state election by the difference between the Governor and Mr. Smith, his long-time friend and also mentioned for the presidential nomination. The Governor asked its adoption, to give the state 1,000,000 acres of forest built on its idle farm lands, but Mr. Smith told the voters to "throw it out the window," saying it was in the interest of the lumbering and pulp industries.

Substantial majorities were returned for passage of amendments in all sections of the state, the Tammany machine backing Roosevelt with almost a two-to-one result in New York.

TWO MEMBERS OF ARBITRATION BOARD NAMED

They Are Expected to Choose
Third Member For Canadian
Rail Wage Hearings

Ottawa, Nov. 4.—Employees of the Canadian railway companies have nominated Dr. J. C. Macdonald, of McGill University, Montreal, as their representative on the proposed board of conciliation which will look into the dispute arising out of the proposal for a 10 per cent wage cut.

The railway companies, which applied for the establishment of the board, nominated Isaac Pirbright, E.C.O. of Winnipeg, as their representative. Senator Robertson, Minister of Labor, has not yet established the board. Assuming that he does so, however, the next step will be for representatives of the employees and the railways to get together and try to agree on a chairman. Should they fail to agree, the minister will make the selection.

Approximately 25,500 employees are involved, including locomotive engineers, firemen, trainmen, conductors and telegraphers.

EBEC IS TO RAISE LOAN

Quebec, Nov. 4.—It was stated in the House of Assembly yesterday afternoon that the Quebec Legislature would ask authority to float a loan, the proceeds of which would aid in taking care of unemployment grants, work on bridges and highways, and colonization and other needs. New sources of revenue would be found, but new taxes would be "exceedingly light," the speaker said. The Lieutenant-Governor, reading the speech, declared Quebec was perhaps the least afflicted by current economic conditions of any province.

JOIN HANDS TO CONSERVE FISH

Chamber of Commerce Committee Seeks Co-operation of Sportsmen

In the course of their campaign for fish and game conservation on Vancouver Island the committee of the Victoria Chamber of Commerce, under the chairmanship of A. G. Bolton, is seeking the co-operation of all organizations working with a similar object in view.

A circular sent out by the committee points out that it is the ultimate aim to make Vancouver Island a sportsmen's and tourists' paradise. This can only be brought about by the co-operation of all organizations such as boards of trade, sporting and angling clubs and individuals interested in the development of the island.

"To secure advice from all persons interested in a questionnaire has been sent out. Questions asked are—What do you believe has been the cause of the depletion of our trout fishing, both lake and river? What is the remedy? What has been the cause of the depletion of our sporting salmon fishing in the Saanich Arm, Comox Harbor, Alberni Canal, Qualicum and other places on Vancouver Island as well as the Tyee fishing at Campbell River? What is the remedy?"

"Different sections of our island should be organized to protect our sport fishing as it is only through a united effort that our objectives will be gained," the circular concludes.

CAN FORETELL EARTHQUAKES

Prospective House Buyers Seek Seismologist's Advice, Says Denison

Prospective house buyers, afraid of earthquakes in the section where they plan to settle, seek the advice of seismologists before making a purchase, so reliable is this knowledge of earth conditions becoming, said P. Napier Denison, director of the Dominion Meteorological Observatory at Gonzales Heights, in a lecture on "Earthquakes" before the Victoria College Science Club yesterday evening.

Accurate forecasting of earthquakes, the speaker explained, was possible through study of the "lines of weakness" girdling the earth and through observation, comparison and interpretation of charts. Lantern slides of earthquakes and of measuring instruments added to the interest of the lecture. Photographs of the great Chinese earthquake of March, 1923; of the quakes of 1918 and 1920, distinctly felt here, and the Alaskan and Quebec disturbances were shown.

Richard Homes, chairman of the Science Club, presided, and William Findlay moved the vote of thanks to the speaker.

SAN FRANCISCO ELECTION

San Francisco, Nov. 4.—By a margin of 6,807 votes, Angelo J. Rossi was re-elected mayor of San Francisco yesterday's election over Adolph Uhl, in a contest that surprised most political observers by its closeness. Rossi, a florist, polled 78,550 votes to 69,743 for Uhl when Rossi's victory had been predicted by a margin upward of 20,000 votes.

ITALY OBSERVES ARMISTICE DAY

Associated Press

Rome, Nov. 4.—Italy's ex-service men celebrated the Italian Armistice Day today, one week ahead of the celebration in the rest of the world, by praying for their comrades who died in battle.

The reason for the advanced date of the Italian observance is that the end of the war for Italy came when Austria collapsed in 1918, a week before hostilities ceased on the Western Front.

In all the cities of the country the ex-service men marched in processions, led by military bands, to the principal churches, where they attended Mass celebrated by army chaplains. Afterward they proceeded to the local monuments commemorating the war dead and placed wreaths.

In Rome the "combattenti" paraded to the church of St. Mary of the Angels and afterward to the tomb of Italy's Unknown Soldier, where they left a large wreath. The tomb is a gigantic, four-story monument to King Victor Emmanuel II.

November 11 will also be a holiday in Italy. While the rest of the world celebrates the cessation of warfare on the Western Front Italians will commemorate the sixty-second birthday of King Victor Emmanuel.

JOBLESS TOTAL IN BRITAIN IS BEING REDUCED

Canadian Press

London, Nov. 4.—For the fourth successive week unemployment figures in Great Britain have shown a substantial drop.

Statistics for the week ended October 26, showed a total of 2,726,000 unemployed, 98,686 less than one month ago, but 480,000 more than a year ago.

Definite signs that the warren industry is on the up-grade have been reported from the West Riding of Yorkshire, although observers believe some proportion of the gain is due to seasonal demands. Textile shares recently experienced a considerable rise on the stock exchange.

CITY MANAGER SYSTEM DROPPED BY CLEVELAND

Cleveland, O., Nov. 4.—Cleveland, the largest city in the United States to adopt the city manager form of government, appeared today to have gone back to the old system—with a mayor and city council elected by wards.

The city was a pioneer in the new form of government, but during the eight years since the city manager plan was in effect, it was under almost incessant attack.

Yesterday was election day.

MAN FALLS SEVENTY FEET

Danvers, Mass., Nov. 4.—Charles Littlewood, twenty-three, is a stevedore and a little drop in business bothers him none. He fell seventy feet from the top of a flagpole yesterday. At the hospital it was found he had received only minor bruises. So Littlewood took the afternoon off and shingled a roof.

DISEASES OF BULBS TOPIC

Dr. W. Newton, Plant Pathologist, Addresses Horticultural Society

Dr. William Newton, pathologist at the Saanich Dominion Experimental Farm, addressed the Victoria Horticultural Society at its meeting in the City Council Chamber yesterday evening, describing the cause and effect of diseases in bulbs.

Dr. Newton took up the subject under three headings, dealing with the fire disease in tulips, the eel worm, grey and mosaic diseases in narcissi and the mosaic infection in the iris. Tulips, he said, should be planted in a silty soil, permitting oxygen to reach the bulb. This was important. Proper cultivation could be materially helped by rotating the field crop. The bulbs could be kept free of disease by dipping processes which preserved them, he pointed out.

EEL WORM

The eel worm was probably the most harmful disease and, in fact, all varieties suffering from it. The eel worm, he said, should be planted in a silty soil, permitting oxygen to reach the bulb. This was important. Proper cultivation could be materially helped by rotating the field crop. The bulbs could be kept free of disease by dipping processes which preserved them, he pointed out.

HANDLE CAREFULLY

Careful handling of iris bulbs was recommended by Dr. Newton as a preventative for the eel worm disease, as these bulbs could easily be damaged, rendering them susceptible to the disease. In view of the fact that these plants had been grown with considerable success here everything should be done to assure the disease being stamped out. All bulbs affected should be burned as soon as discovered.

SHOW IN SPRING

Following Dr. Newton's talk the society discussed plans for an early spring flower show of peonies, delphiniums and iris during the latter part of May next year.

R. W. Paton was the winner of the monthly floral exhibit, his display being chrysanthemums. W. Unwin was awarded second prize. A. D. Miles won first honors in the vegetable display, with George Little second. The society paid tribute to the late J. S. H. Matson. Fred Landsberg, who sponsored the vote, said Mr. Matson had been a member of the organization and his death was a decided loss not only to the community in general but to the society in particular.

Ask Completion Of Sir James Douglas School Auditorium

The Parent-Teacher Association of Sir James Douglas School was yesterday evening informed that the auditorium of the school will be floored this week. The members voted a gift of \$150 towards the cost of completing the auditorium, it being expected that the school board would provide the remainder of the cost of plastering and the minor work not yet finished. The Parent-Teacher Association some time ago contributed \$300 towards the cost of installing electric lights in the hall. It is the hope of the association that the plastering will be completed before the annual school entertainment, to be held about December 20. Progress reports were presented concerning the annual bazaar, to be held this month.

CASE SLOWLY MOVES TO TRIAL

Chicago, Nov. 4.—Nearly three years after the first indictments were returned, a court decided yesterday that nine former officials of the Chicago Sanitary District must go to trial on charges of conspiracy to defraud the district of \$5,000,000.

One defendant, T. L. Connolly, has been a fugitive for months. Timothy J. Crowe, former president of the Sanitary district, was indicted originally in January, 1929, together with five trustees and three other officials on counts charging payroll padding, unauthorized construction of a \$1,000,000 bridge path and a \$271,000 lighting system along McCormick Road.

St. Catharines, Ont., Nov. 4.—Confirmation of the report that work was to be resumed on the Welland Ship Canal, at an estimated expenditure of \$750,000, was received yesterday by William B. Robinson, president of Lincoln County Conservative Association, from Hon. R. J. Manion, Federal Minister of Railways and Canals. The work includes masonry, stone filling and other operations.

Going Back Into Presbyterian Church

Toronto, Nov. 4.—At a meeting of the Toronto Presbytery of the Presbyterian Church in Canada yesterday the application of Rev. John Knox Clark, of the United Church of Canada, for reception into the Presbyterian Church was referred back until the certificate of disjunction from the United Church conference reaches the clerk of the Presbytery.

MAN KILLED BY TRAIN

PORT ALBERNI

Special to The Times

Port Alberni, Nov. 4.—Members of the First Arrowmuth Cub troop were entertained Saturday at a novel treasure hunt under the sponsorship of Mrs. H. P. Kye. Mrs. Jack Beveridge, Mrs. C. Pope and Miss Nan McCranor, cub mistress. After a hunt through the recreation grounds the quest led to St. Alban's Hall, where the treasure was discovered. Halloween favors were used on the banquet table. Mrs. S. Bohle, with her house guest, Miss Bryan of North Vancouver, were guests. Mr. and Mrs. E. B. Coulthard have as their guest Mrs. Coulthard's niece, Miss Mary Peacock of Bellingham.

Miss Agnes MacPhail, M.P., is expected to arrive in the city as the guest of the local branch of the Canadian Club. It is expected that she will give an address at the United Church, and incidentally organize a women's club on Saturday evening.

WORKROOM TO SEEK FURTHER FINANCIAL AID

Women's Organizations to Be Approached With Appeal; Much Work Done

With the organization now in full swing and employing between fifty and sixty women for two or three afternoons each week, much work is being accomplished at the workroom which has been established at the Y.W.C.A. for the benefit of needy women and girls. Recently a gift of eighty-nine articles was sent to the Children's Aid Home, and thirty-one napkins were sent to the Victorian Order of Nurses, all of these garments being made over at the workroom from old clothing donated to the cause.

APPEAL FOR SUPPORT

But more donations, of new material to be made up and of old, clean clothing to be made over, and more urgently still, of cash, is needed if the workroom is to be carried along through the winter months. This was emphasized at a meeting of the general committee held yesterday evening at the Y.W.C.A., with Mrs. Arthur Walsh presiding.

The treasurer's report showed a balance on hand of about \$465, which will carry the workroom for about two weeks. The recent lecture given by Col. the Rev. G. O. Falls added \$221.30 to the fund, all those who assisted being warmly thanked.

The ways and means committee suggested that each member of the various women's organizations interested in the scheme be asked to contribute fifty cents per month to the fund. With such a contribution, the problem of the maintenance of the workroom would be solved. The representatives of the various organizations were requested to place this suggestion before their societies and report later to the general committee.

Plans were also made for a rummage sale on November 14 in aid of the fund. Sales are being held at the workroom of garments made over, and a feature is being made of a number of attractively dressed dolls, suitable for Christmas gifts. Orders will also be gladly taken.

Mrs. Pease was appointed convener of the special workroom committee which will have direct control of the workroom.

PRINCESS WILL MARRY COUNT

Engagement of Princess Ingrid of Sweden to Army Officer Rumored

Associated Press

Stockholm, Nov. 4.—Reports that Princess Ingrid of Sweden was engaged, or about to be engaged, to Count Nils von Rosen, a cavalry officer, were described in court circles here to-day as without foundation.

London, Nov. 4.—The London Sketch said to-day that Princess Ingrid of Sweden is engaged to Count Nils von Rosen, an officer of a crack Swedish regiment and well known in Swedish society, but that the engagement has not yet received the sanction of King Gustaf, grandfather of the princess.

Princess Ingrid was here last week and acted as bridesmaid for Lady May Cambridge at the latter's wedding at Balcombe. The Sketch said she told several friends at that time of her intention to marry Count von Rosen, come what might.

Mrs. Blethen Of Seattle Leaves Half a Million

Seattle, Nov. 4.—The bulk of the estate of the late Mrs. Rose Hunter Blethen, estimated at \$500,000, was left to her two daughters, Mrs. Florence Blethen Duffy and Mrs. Marion Blethen Mead, both of Seattle, under a will filed for probate yesterday.

Mrs. Blethen, who died Wednesday, was the widow of Colonel Alden J. Blethen, founder of The Seattle Times.

Mrs. Alex. Romeril Dies in Toronto

Toronto, Nov. 4.—Mrs. Marion Beryl Romeril, thirty-one, and daughter of S. J. Hungerford, vice-president in charge of operation and construction of the Canadian National Railway, died in hospital yesterday. Mrs. Romeril had been a semi-invalid for three years.

Born at Farnham, Que., she was educated at Winnipeg and Calgary. Her husband, Alex. Romeril, is a well-known hockey referee.

Society

Mr. and Mrs. W. H. Rowlands, Phoenix Place, will leave in the near future for California where they will spend the winter months.

Mrs. J. H. Mennies of Calgary and her sister, Mrs. C. D. Trussell of New York, are visitors in Victoria and are guests at the Empress Hotel.

Miss Mary Money of Quilicum returned to her home up the Island on Monday after spending a few days in Victoria as the guest of Miss Alice Cotton and Miss Anna McBride.

Captain and Mrs. Wilson-Jones and Miss Pamela Thornton have returned to their home in Victoria from Cowichan Lake where they have been spending the last week.

Mrs. James Peters returned to her home at Esquimalt after spending the past week in Vancouver as the guest of her son-in-law and daughter, Mrs. Mary Bray.

Mrs. James Francis of Esquimalt is a feted visitor in Winnipeg, the guest of Mrs. Hugh Phillips. Among those entertaining for Mrs. Francis was Mrs. R. Des Brisay, formerly of Vancouver.

Mr. A. McBain and Mr. W. B. McBain, who have been spending the summer months at Courtenay, will return to Victoria this evening and will spend a short time here as guests at the Angela prior to leaving on a tour of California.

Mr. and Mrs. F. McBride of Sooke, announce the engagement of their only daughter, Agnes Helen, to Mr. Joseph Collins, only son of Mr. and Mrs. George Collins, Flat Islands, Placentia Bay, Newfoundland, the wedding to take place in December.

Miss Violet Wilson of Beach Drive, Oak Bay, returned to Victoria on Monday after spending the summer months at Lake Louise and Calgary, where she has been visiting in Toronto, will remain in the east for a short time longer.

A quiet wedding took place in Kamloops yesterday between Katharine Sabrina, daughter of the late H. V. Johnston and Mrs. Johnston, of Victoria, and Mr. John Johnston, of Kamloops, son of the late Col. and Mrs. J. R. Vicars, of Kamloops. The bride and groom will reside in Kamloops.

Mrs. C. E. Wattaker, Rockland Avenue, who has been spending the last few months in the Eastern States visiting her mother, Mrs. Edward J. Burns of Baltimore, and her sister, Miss Helen Neville of Washington, D.C., returned to her home in Victoria at the end of last week.

Mrs. George Bushy of Prince Rupert is visiting in Victoria as the guest of Mr. and Mrs. F. D. Brue, Belmont Avenue. Mrs. Bushy will leave for Victoria at the end of this week and will spend a couple of weeks here prior to returning to her home in the North, accompanied by Mrs. Bushy.

Several large parties have been made up for the day to be held by the members of the Royal Victoria Yacht Club at the Uplands on Friday evening next. This dance is one of the series of popular affairs arranged for the winter season, and the orchestra will furnish the attractive programme of dance music. Supper will be served in the large dining-room.

The many friends of Miss Helen Crawford, daughter of Mr. and Mrs. W. G. Crawford, Yates Street, who has been attending the University of British Columbia, will regret to hear she sustained a fractured knee in a motor accident in Vancouver, recently.

Crawford was over to the mainland and brought Miss Crawford back to Victoria. Miss Dorothy Allan of Victoria, who was also injured in the same accident, is convalescing in Vancouver.

The Lake Hill Women's Institute held its card party on Monday night, with twelve tables of players. The winners were: First, Mrs. Lester, Mrs. Jones, Messrs. Groutage and W. W. McCallum; second, Mrs. McCallum and Mr. W. W. McCallum; third, Mrs. Mitchell and Mr. Mitchell; consolation, Mrs. Miles, Mrs. Knowlton, Messrs. Jones and Earl; ten bid, Mrs. McCallum and Mr. W. W. McCallum. Monday party will be held under the auspices of the Lawn Bowling Club.

The many Victoria friends of Mr. and Mrs. Fred J. Fulton of Kamloops will regret to learn that their son, Jack, met with a serious accident last Thursday while flying a plane at Oakland, Cal., where he is a student at the Boeing School of Aeronautics. While flying solo, the plane crashed and caught fire. Although he suffered fracture of both ankles, the young flier managed to get out of the machine, his hair being merely singed, according to the report in the Kamloops press.

Mr. and Mrs. W. E. Hagger of 2514 Quadra Street, entertained a party of friends at their home Saturday evening in honor of their twenty-fifth wedding anniversary. The rooms were beautifully decorated with large baskets of pink and white chrysanthemums. The table was artistically arranged by Mrs. G. Brown, in pink and white, the color scheme being a replica of that used at the wedding. The evening was enjoyed by those present, Mr. G. Brown presented Mr. and Mrs. Hagger with a silver cake basket and a pair of silver vases. Vocal solos were rendered by Miss Marjorie Winsor, Mr. A. W. Lucking, Mr. A. Sedgley and Mr. G. Brown. A very enjoyable evening was spent in cards, games and dancing. The invited guests were: Mr. and Mrs. C. Lealman, son-in-law and daughter of Mr. and Mrs. Hagger; Mr. and Mrs. A. W. Lucking, Mr. and Mrs. G. W. Brown, Mr. and Mrs. R. Monday, Mr. and Mrs. B. Caldwell, Mr. and Mrs. A. Sedgley, Mr. and Mrs. F. Ransom, Mr. and Mrs. G. Guest, Miss Marjorie Winsor, Miss Kathleen Caldwell, Miss Nan Harrington, Miss Dorothy Pugh, Miss Pernie Tuckson, Miss Margaret Caldwell, Miss Dorothy Stanhope, Messrs. Bill Brown, Bert Caldwell and Osborne Guest.

ORPHANS WERE ENTERTAINED

Hallowe'en Party Among the Treats at Protestant Home Last Month

A Hallowe'en party was among the various entertainments enjoyed by the little inmates of the Protestant Orphans' Home last month, according to the report presented at the monthly meeting of the ladies' committee yesterday afternoon. Mrs. C. H. Walker, the president, was in the chair.

The report stated that the children are all well and have been very much entertained during October. The Protestant branch of Canadian Legion gave them a concert and the Ladies' Auxiliary served refreshments. The Guides and Brownies also entertained them. Mrs. Raper had four of the older girls to tea. Miss Morley of the Ministering Circle, King's Daughters, gave a birthday party for Ruth Haynes and five of her girl friends. O. Hadland showed lantern slides of "Animal Life" in B.C. The children had a fancy dress Hallowe'en party themselves with the usual games and fun, which was much enjoyed.

Miss Bingham is starting a kindergarten for the little tots every Tuesday for one hour. Mrs. J. W. Spencer's resignation from the committee was accepted with regret.

Visiting ladies for November will be Mrs. Raper and Mrs. Simpson.

DONATIONS RECEIVED

Donations gratefully received included the following: St. John's Church, Grace Lutheran Church, St. Luke's Church and Happy Valley Mission, fruits and vegetables; E. and T. Raper, two sacks of potatoes; Canadian Legion, one sack potatoes; Oak Bay United Church, fruit and vegetables; Mrs. Armstrong, two sacks apples; Government House, four boxes apples; Mr. W. H. Douglas, box apples and jam; Mr. F. Landberg, six jars jam; Mrs. O. M. Brown, dishes and box apples; Mrs. Unsworth, sandwiches and box apples; Mrs. Rowlands, clothing and box apples; St. John's A.Y.P.A., cake and sandwiches; Orange Hicks cake and sandwiches; New Thought Temple, cake and sandwiches; Mrs. J. M. Wood, box candy; Mrs. E. H. Griffiths, cakes; Mr. J. M. Wood, four salmon; Primary Department, Fairfield United Church, fruit and vegetables; Mrs. Goldsmith, clothing; Mrs. S. G. Feele, clothing; Oliver Street Courts, tennis balls; Miss A. Munroe, two wool balls.

"Had an accident?"
"Yes, I taught my wife to drive a car. And why are you so bruised up?"
"I refused to teach my wife to drive a car."

Support Home Industry

Women Are Appreciative

The quarterly report of the Travelers' Aid Society was heard with much interest in the good work accomplished.

Representatives of the chapter with the standard-bearer will attend the Armistice Day service at Christ Church Cathedral and the cenotaph function on November 11. Members each undertook to make crosses or wreaths to be placed on the graves in the Esquimalt Naval and Military Cemetery for Armistice Day, and the devotionals exercises, Mrs. Quinn, Constance Avenue, Mrs. J. T. Jones will represent the chapter on the Armistice committee.

The next meeting will be held at the residence of Mrs. McCallum, Esquimalt Road, on the first Monday in December. After the business meeting, the members were entertained at a delicious tea by their hostess. The table was centered by a lovely bowl of chrysanthemums.

Baptist Women's Union Report On Many Activities

The Women's Union of First Baptist Church held its regular monthly meeting in the church parlor, Mrs. A. E. Taylor presiding. There was a splendid attendance. Mrs. T. B. Brown, leader of the devotionals exercises, Mrs. C. W. Bradshaw gave a very full and interesting report of the activities of the social service department of the church. Mrs. Richardson reported for the visiting committee, ninety-two calls having been made during the month.

Mrs. Angus Galbraith reported for the White Cross and Saskatchewan relief committee, an urgent request having come from prairie Baptists for assistance. Donations of clothing and other necessities are urgently requested at an early date. It was unanimously decided to purchase poppies for Armistice Day. Mrs. Robt. McIntosh sang two solos very sweetly.

J. B. Munro, Deputy Minister of Agriculture, was the speaker of the afternoon and gave an interesting address on "Canadian Products," urging each housewife to purchase Canadian goods, thereby circulating the money at home. He said that it would not only give employment to many but help to keep the Canadian youth at home. Mr. Munro, on behalf of the ladies, thanked Mr. Munro heartily for his splendid address.

The four group leaders were named a nominating committee with Mrs. Haverstock as chairman.

Under the auspices of the mission department it was decided to hold a silver tea at the home of Mrs. R. S. Elliott, Summit Avenue, Tuesday, December 1, in aid of missions.

Lodge Is Busy—Victoria Lodge No. 83, Daughters of St. George, held their regular meeting in the Sons of England Hall, Monday evening.

Skelland, worthy president, presided in the chair. The nomination of officers took place. Final arrangements were made for the bazaar to be held on November 16. The stall holders will be: Hon. Cocking, Mrs. Filler and Mrs. Parkinson, fancy work, Meadams A. and M. Harris, bran tub, Mrs. Muckle, house-house, Mrs. Quinn and Mrs. Bellamy, St. Petrie, Mrs. Berritt and Mrs. Forter, cards and contests, Miss Reed and Mrs. Southern, refreshments, Mrs. Wilkie Jr.; reception committee, Mrs. Skelland, Mrs. M. J. Penketh and Mrs. Pittner. Mrs. Burnett has kindly lent her home for card party to be held on Thursday evening at 8.30 o'clock at 867 Colville Road.

How to Have Perfect Finger Waves at Home

New French Creation Gives Deep, Natural Waves. No stickiness, gumminess or white deposit on hair.

HERE is a unique French discovery that makes it possible to finger wave your hair at home with professional results. The only way known, experts say, that is not gummy and sticky to use. That does not leave a white flaky deposit on hair and scalp. That is not affected by dampness or rain.

It is an exquisite liquid that's as easy to use as a tonic. That makes waving your own hair easier than it used to be using old-fashioned curlers.

Full directions, carefully worked out by French hair dressers, come with every bottle. They show you exactly how to use it through wonderfully simplified charts.

Thus, you're assured of perfect results every time. Deep, natural finger waves no matter how straight your hair may be. Waves that often hold perfectly as long as two full weeks.

It is called *Jo-eur Wave-set* and is sold at all toilet counters. Economical to use—a month's supply costs only a few cents. Approved and tested by the Good Housekeeping Magazine Bureau.

Write for Cook Book and Baby Book

CARNATION CO., LIMITED 134 Abbott St., Vancouver, B.C.

"from Contented Cows"

Protect your baby from diet upsets by using the milk of unchanging goodness. Guard your baby's health by using the milk that is always safe—because sterilized. The greatest baby-feeding authorities say that Carnation is just as nourishing—from the standpoint of vitamins, minerals, etc.—as the best bottled milk, besides being far easier to digest.

Foster's Offer Very REMARKABLE VALUES For One Day, To-morrow

Establishing beyond a doubt their leadership among Canadian furriers for style, quality and supreme value! Select your Fur Coat from the picture. Every one is exact! All new models.

Kid Caracul
\$195

Silky skins with beautifully marked moiré pattern; fitted models with large shawl collar and flaring cuffs.

Chapal Seal
\$118

Carefully selected French-dyed pelts; effectively trimmed with grey squirrel on collar and cuffs.

Silver Muskrat
\$118

Slim, smartly styled coats with fan or shawl collar of muskrat backs. For youthful figures.

Caracul Paw
\$79

Fawn, silky skins in youthful fitted fashions, with shawl collar and gauntlet cuffs. A wonderful bargain!

Hudson Seal
\$195

One model in a group of coats made of selected, lustrous, well-furred skins. Varied collar and cuff treatment.

Hudson Seal
\$269

Super-Hudson Seal, lavishly enriched with Kolinsky trimming; wide inset on collar, and band on cuffs.

Kindly note that we do not show the regular prices, simply because we have marked down, in every case, the prices to rock bottom. Do not be misled by merchants who shout from the house-tops that they are selling a coat for \$75.00 which was priced at \$275.00. Any person with the ordinary amount of intelligence knows quite well that no reliable or honest merchant can possibly afford to give such terrible big cuts in prices. Leave that type of merchant alone and let him paddle his own canoe. Our prices are low, we admit, but in every case they will show us a fair legitimate profit, without which we could not remain in business. Buy your furs from a reliable furrier, not from the WOLF who hides in sheep's clothing.

DONATIONS TO FRIENDLY HELP APPRECIATED

Yesterday's Meeting Told
1,326 Persons Assisted in
October; Many New Cases

The Friendly Help Association during October assisted 385 families, representing 1,326 persons. Among these were 67 new cases. A total of 900 grocery orders, 697 meat orders, 80 coal orders, 110 wood orders were issued; 114 families were supplied with milk; 23 persons were given new shoes; 387 got clothing, provisions, fruit and vegetables, and milk from the rooms; 17 got sundry articles, such as furniture, bedding, etc., from the rooms.

NEW MEMBERS WELCOMED
This report was presented at the monthly meeting of the association held yesterday morning at the headquarters, Mrs. W. J. Cullum, the president, being in the chair. Four new members were welcomed, Mrs. Galloway, Miss de Trafford, Miss A. Angus and Miss Sill. The association will assist in the sale of groceries on Saturday, November 7, at the Market.

Thanks were tendered to the New Method Laundry for its continued kindness in collecting and cleaning clothing, to Mr. Rochford for collecting and delivering fruit and vegetables to the rooms and to Mrs. H. J. Fisher for supplying fresh milk on two days a week. Appreciation was also expressed to Gregg's Reliable Window Cleaners for cleaning all the rooms at the headquarters free of charge.

MANY DONATIONS
The association acknowledges with grateful thanks the following donations received during October:

Wheat Freight Rates Discussed By W.I. Members
The monthly meeting of the Strawberry Vale Women's Institute, held yesterday afternoon, with the president, Mrs. W. M. Foster, presiding, the resolution, sponsored by Victoria Women's Institute, regarding excessive freight rates on wheat to British Columbia, was endorsed, with a view to lessening distress in the farming and poultry industries in the province. The members realize that in unity there is power and hope, in some measure, to have the export freight rate adjusted, as at the present time, under existing rates, wheat can be laid down for use in China and Great Britain cheaper than in southwestern British Columbia, which, thereby, in the direct contradiction of protection to Canada and Canadian industries, it was pointed out in the discussion.

The local representatives of the Spirilla Company will give a demonstration at Colquhoun Hall, on Wilkeson Road, on Tuesday afternoon, November 10, at 2.30, and a very cordial invitation to attend is extended to all ladies in the district who are interested. This will be combined with a guest silver tea, at which each member of the institute will act as hostess to four guests, for whose tea arrangements she is responsible, as she provides her own tea cloth, china and cakes. A variety of preserves will be offered for sale. Quite a substantial sum was from the sale of marmalade made by Mrs. P. Campbell, which will be used to augment the building fund. Mrs. Harper and Mrs. Campbell gave an interesting report of the conference held in October. At the conclusion of the business, refreshments were served and a social half hour enjoyed.

Wheat Freight Rates Discussed By W.I. Members

Edna Wallace Hopper, "The One Woman in the World Who Never Grew Old," Reveals Why, at Past 60, She Has Never Washed Her Face

Your Baby and Mine

By MYRTLE MEYER ELDRED

It takes a strong-willed mother to keep her eyes away from her lone chick and the children with whom he plays. Mothers of "onlies" are given to watching every move of the neighbors' children and detecting every sign that their own are disliked or mistreated. There is hardly a neighborhood but boasts at least one only child whose mother fights his battles for him, and finds something in the conduct of the neighborhood children that needs instant correction.

FIFTY ONLY CHILD
It is a pity to let a child grow up without brothers and sisters to keep him from getting too much of this smothering maternal attention. It is doubly pitiful when the mother just can't keep her hands off his struggles with his own playmates.

The mother of an only child is quick to resent any show of contempt for her lambkin. Such a mother is certain that her child is disliked and discriminated against when all other children are embraced and taken into the group with fervor. It is her child who is always being hurt or chased or called names or made fun of.

The trouble lies largely in her blindness with regard to other children. She is not particularly interested and so does not notice what happens to them. If her child is sent home, she resents it bitterly. She does not know when the same thing happens to some other child.

An only child has his own peculiar burdens. But it does not lighten them for his mother to enter into the fray. Children in groups are notoriously cruel and unthinking. The "only" always has to stand up for himself until he is accepted wholeheartedly into the group.

The mother can help the child by seeing that he plays with children of the same or nearly the same age as himself. Most neighborhood groups whose treatment of her child drives her to distraction are, in almost every case, composed of children too old for the child to play with. Naturally, a younger child, one unprotected by the championship of brother or sister, will be teased. The only help is to insure that he plays with children his own age, with whom he is at no physical or mental disadvantage. That much the mother is justified in doing. Any further maternal assistance with his social difficulties simply ruins the child.

Pity and comfort are harms to a child's hurt pride. But they are easy to get from mother, and the child makes increasing use of them. In the end he begins to pity himself. He begins to feel sure that no one likes him, that he is not on a par with other children—a poor sort of spirit with which to meet the difficult social adjustments at school.

If a mother says cheerfully, "Mercy, did some one hit you? Well, forget it—"

"Any one is one o' the kind that thinks she's good because she's so dowdy she ain't never been tempted."

Tells Why She Advises Women To Shun The Wash Basin

Edna Wallace Hopper, "The One Woman in the World Who Never Grew Old," Reveals Why, at Past 60, She Has Never Washed Her Face

WHEN I first said that I credited much of the fact that, at over 60, people say that I have the skin of a girl of 20 to the total avoidance of having washed my face since childhood, it startled women almost out of their chairs. I don't believe in cleansing the face with anything but oil. I know other women use this way or that. Ordinary commercial methods of all sorts. Soap and water, for instance. But not me.

I use only a bland oil cleanser in liquid form. I honestly believe that this is one of the chief reasons why I've managed to retain youth as well as I have. Why I am famous the world over as "The One Woman in the World Who Never Grew Old."

The name of the bland oil cleanser I use instead of soap and water is Edna Wallace Hopper's Facial Youth. The distinguished French beauty scientist who gave me this method told me it was the only safe way for women to cleanse the skin.

Edna Wallace Hopper

That other methods were prone to take out of the skin the precious "oils of youth." Cause the skin to become old looking and lined. You can get Facial Youth at any toilet counter. Full directions come with every bottle. You use instead of soap and water. Watch how it dissolves the make-up, grease and dirt on your skin. Removes every particle. Leaves the skin soft, smooth, clean.

THEY DON'T GROW THIS WAY ON LOLLYPOPS!

H. Ann Lewis, recently of Staff, Household Science Dept., University of Toronto, says:
"Protein is one of the three substances that serve as body fuel. Bread, particularly that made with milk, is an efficient source of protein which is necessary as an energy food for promoting and supporting growth in children."

THESE husky young chaps need a lot of calories and vitamins to keep them up on their toes. Lollypops won't do it. No, sir! They need food that builds bones and muscles . . . food that has all the health building elements in it they require. 4X BREAD IS THAT KIND OF FOOD!
Your family will all like it. Fresh at your door every day.

Schedule Released For Senior Divisions of Badminton League

THE SPORTS MIRROR

Canadiens and Boston Picked to Win N.H.L. Divisions

Charlie Conacher Expected to Give Morens Run for Scoring Honors

Tommy Bowden and "Doc" Webster Strive for "Hundred Bucks"

WITH the eight teams of the National Hockey League about ready to start on another chase for possession of the Stanley Cup, representative of the world professional hockey championship, we will make our annual forecast of the outcome of the season. We make these selections every season and as yet have failed to pick a winner. The players Brooklyn to win the National Baseball League and Washington to capture the American League crown and everybody knows how far wrong we were. But then we balanced up in the other column by picking Max Schmeling over Young Stribling. But the German was our first winner in quite a time.

In the Canadian section we figure Montreal Canadiens, present world champions, still good enough to finish at the top of the heap, with Toronto Maple Leafs running them a close second. In third place we place Montreal Maroons with the New York Americans last. We figure Boston the best bet in the American group with Chicago, New York Rangers and Detroit to finish in that order. Just who will get into the finals we would not like to say as it would be purely a guess and too tough a one at this stage.

It begins to look as if there will be a tough race for scoring honors in the big league this season. Morens, dynamic centre ice star of the Canadiens, and winner of the scoring honors last season, is expected to have the stiffest battle for the leading scorer title. He has scored 38 goals and 87 assists in 1930 and 1931 and quit the game at the peak of his career, decided a few months ago he was still a good warrior. He showed himself a new find at the fight game. But the rosy dream he had then of a glamorous comeback have been transformed into a mild nightmare of hisses and boos.

Things have been breaking so tough for Benny Leonard that the former king of the lightweights may decide to hang up his mittens just in the middle of his comeback attempt. Leonard, who scored 10 wins in 1929 and 1930 and 1931, and quit the game at the peak of his career, decided a few months ago he was still a good warrior. He showed himself a new find at the fight game. But the rosy dream he had then of a glamorous comeback have been transformed into a mild nightmare of hisses and boos.

Given the benefit of much publicity when he was to make his debut at Newark, N.J., the result was a loss of less than \$1,000. Matched to meet Paul Walker, he found the New York boxing heads taking the attitude of "show me" and forcing him to whip some fistic mediocres. Kind before he would be permitted to figure in a show with Walker. He met and knocked out Pat Silvers in a bout that appeared as if Silvers went down with one blow. He followed him to the Illinois State Commission then threw up the bars against Benny. Barred in New York, Pennsylvania and Illinois, Boston scored on him following his bout with Vittorio Livan recently. Forced to meet a bunch of second-raters Benny is about ready to decide that comebacking is too tough.

That elusive "hundred bucks" which goes to the bowler making a perfect score at the local runways had a close call Monday night from absorption by Tommy Bowden, well-known baseball player and a popular member of the Panatorium senior tennis squad. Rolling in a pot game with the boys after his regular league matches Bowden rolled up nine straight strikes, then took a nine-pin hit, cleaned the spare and finished with another strike for 279. After Tommy had slipped in his seventh strike the crowd at the runways gathered round to cheer him on. Of course, they all claimed the tenth hit was right in the pocket but the ten pin stood away after signaling a bit.

Queerly enough Art "Doc" Webster picked the same game to "go big." He paced Bowden's strike for strike until the sixth frame, but ran into a couple of splits and then finished well over 200.

Another interesting happening in bowling circles recently was pulled off by Al Falk, veteran member of the Jokers City League bowling team. Rolling against the Night Owls last Friday, Al had "one of those days" when he just couldn't get in the pocket. In fact he had seven splits in eight frames during one game.

Formidable Duncan Team Will Oppose Garrison Saturday

Match at Bay Street Armories Will Usher in First Division Schedule; Willows and Duncan Will Open Second Division Schedule With Match at Duncan; Teams in First and Second Groups Will Play Home and Home Games in Regular Schedule; Knockout Competitions to Follow

Saturday will witness the opening of the first division of the Lower Island Badminton League, when the strong Garrison and Duncan teams clash at the Bay Street Armories. Schedules for the first and second divisions of the league were released today by Hugo Rayment. The first division, which was not included in the league last season, includes teams from the Garrison, Duncan and Willows clubs and a keen race is expected for the championship. The same three clubs have entered teams in the second division, which will also open its schedule Saturday with the Willows Club players journeying to Duncan.

COMMERCIALS OPPOSE C.P.S. AT SCHOOL GYM

Senior "A" Teams Hook Up in Feature Game of City League Basketball Card

Win Will Give Commercial League Lead; Two Other Games Are Scheduled

Ernie Cook and his band of Commercial hoopers will battle the fast-stepping C.P.S. five at the High School gymnasium to-night in a Victoria and District Senior A basketball fixture. A win for the commercials will give them a half-game lead over the Buys, who tied up the senior race last Wednesday when they downed the champion Commercial by one point. The C.P.S. have yet to break into the win column, but are confident they will take their opponents into camp to-night.

In the other two games the Normal School and Sons of Canada will meet in a Senior B men's game and the J.B.A.A. women and the Blue Birds will tangle in a women's fixture.

In their first game this season with the champions the C.P.S. held their own in the opening twenty minutes of play, but fell by the wayside under a great scoring rally in the second half. SONS SEEK REVENGE

Jack Taylor and his Sons of Canada five will be out for revenge for the defeat they took at the hands of Normal in the opening game of the year and on past performances they should make the grade.

The J.B.A.A. women should have little trouble taking the night game as their weight and experience should be too much for the young Blue Birds to overcome.

Tommy Macleod will referee. The complete card follows:

7:30—Senior B men—Sons of Canada vs. Normal.

8:15—Senior B women—J.B.A.A. vs. Blue Birds.

9:00—Senior A men—C.P.S. vs. Commercial.

KRUSE USES A BAFFLING HOLD

Portland Heavyweight Wrestler Defeats Charles Manno With Mystery Armlock

Spokane, Wash., Nov. 4.—Bob Kruse, Portland, used a baffling armlock to take two falls out of three from Charles Manno, Chicago, in the feature match of a wrestling card here yesterday evening.

Kruse weighed 205 and Manno 215 pounds. Manno took the first fall with a body slam in 6 minutes and 10 seconds of the second round. Kruse took his first fall in 4 minutes 43 seconds of the third round, and the last in 5 minutes 45 seconds of the fourth.

FORFEIT BONDS
Moose Norbeck, Portland, and Holmes Norbeck, whose match here a week ago developed into free-for-all fistfighting, went onto the mat a few hours after forfeiting \$10 bonds in police court. They were arrested on disorderly conduct charges after the other dual.

When the Lower Island Badminton League was organized three years ago, the first division was made up of four clubs, Willows, Garrison, South Cowichan and Duncan. The latter team won by a wide margin, but the following season the defending champions were the only ones to enter and the league fell through. This season three clubs have entered and all boast strong teams. Duncan has secured the majority of the players from the disbanded South Cowichan club. The second division is also expected to provide competition of the keenest nature.

THE SCHEDULES
The complete schedules for the two divisions follow:

FIRST DIVISION
November 7—Garrison vs. Duncan, at Victoria.

November 27—Willows vs. Garrison, at Duncan.

December 12—Duncan vs. Willows, at Duncan.

January 9—Duncan vs. Garrison, at Duncan.

January 16—Garrison vs. Willows, at Victoria.

February 12—Willows vs. Duncan, at Victoria.

SECOND DIVISION
November 7—Duncan vs. Willows, at Duncan.

November 13—Willows vs. Garrison, at Victoria.

December 12—Garrison vs. Duncan, at Victoria.

January 9—Garrison vs. Willows, at Victoria.

January 22—Willows vs. Duncan, at Victoria.

February 20—Duncan vs. Garrison, at Duncan.

In a fourth division match played at Langford yesterday evening, Langford and the Alpha club played to an 8 to 8 draw, after a keenly-contested match.

In the women's doubles Langford won three out of the four matches. In the men's doubles the Alpha players evened up matters by winning three out of four, while the eight matches in the mixed doubles were divided evenly, leaving the teams in a deadlock.

In another fourth division match the Beavers defeated St. Luke's by a 14 to 2 score. After breaking even in the women's doubles, the Beavers won all the matches in the men's doubles and then made a clean sweep of the mixed doubles.

THE RESULTS
The scores in the Langford-Alpha match, with the Langford players first named, follow:

WOMEN'S DOUBLES
Mrs. Hinks and Miss Hart defeated Mrs. Peckman and Mrs. Beach, 15-3.

Miss Higgs and Miss Godfrey beat Mrs. Richardson and Mrs. Slater, 15-7.

Mrs. Hinks and Miss Hart beat Mrs. Richardson and Mrs. Slater, 15-7.

Miss Peckman and Mrs. Beach, 15-7.

MEN'S DOUBLES
Hinks and Bayles lost to Brand and Beach, 15-11.

Hinks and Bayles lost to Henson and Hurdle, 15-7.

Hinks and Bayles beat Henson and Hurdle, 15-8.

Milne and Matthews lost to Brand and Beach, 15-4.

MIXED DOUBLES
Mr. and Mrs. Hinks lost to Mrs. Beach and Brand, 15-6.

Mr. and Mrs. Hinks lost to Mrs. Slater and Beach, 15-3.

Miss Hart and Bayles beat Mrs. Richardson and Mrs. Slater, 15-7.

Miss Godfrey and Milne beat Mrs. Peckman and Henson, 15-6.

Mr. and Mrs. Hinks beat Mrs. Richardson and Hurdle, 15-12.

Miss Higgs and Matthews beat Mrs. Richardson and Hurdle, 15-12.

Scores of the Beavers-St. Luke's match, with the former players first mentioned, follow:

WOMEN'S DOUBLES
Kidd and Macconnell won from Ryall and Mitchell, 15-12.

Kidd and Macconnell won from Ryall and Mitchell, 15-6.

McAdam and Butterfield lost to Ryall and Mitchell, 8-15.

Holmes and Goodland, 15-6.

McAdam and Butterfield lost to Ryall and Mitchell, 8-15.

MEN'S DOUBLES
H. Bleasdale and D. Bleasdale won from S. Ryall and Mitchell, 15-10.

Miracles of Sport

INVITE U.B.C. SWIMMERS AND RUNNERS HERE

Archie McKinnon of Y.M.C.A. Will Write Varsity Seeking Meets in City

Current rumors to the effect that the University of British Columbia would not send athletic teams to compete against Victorians were received by Archie McKinnon, physical director of the Y.M.C.A. and coach of the track and field and swimming teams, with regret. In an effort to try to influence the mainland students to come, he will ask Pat and "Chuck" Copeland, secretaries of the swimming and track clubs, respectively, to invite Varsity to send over a representation in both these branches for special meets.

Mr. McKinnon suggested that the U.B.C. might consider having their swimmers and runners over at the time the McKinnon Cup rugby team from the University played here.

He referred to the previous meets between the Y.M.C.A. and Varsity, stating in the winter activities of the two institutions as far as track and swimming were concerned. Both had derived benefit from them through the added stimulus given the sports. It would be a matter for regret, he said, if such engagements were abolished, since they tended to create greater interest in the two fields and kept the swimmers and runners in training at a season when special activities for them were scarce.

BUYATS GIVE GOOD DISPLAY

In a hard-fought exhibition basketball game at Colwood Hall on Saturday evening, two teams composed of Buysats players gave followers of the game in the suburb a pretty display of floor work and shooting with the Whites coming from behind to defeat the Blacks 44 to 42.

The teams were evenly matched, the lead saw-sawing from one to the other after an 18 to 18 deadlock at half time. The game was made possible through the work of R. W. Robinson, manager of the St. John's Boys' Club of the district, who arranged the exhibition and acted as referee.

The game followed one between teams of the boys' club. From Mrs. Goodland and D. Ryall, 15-12. McAdam and D. Bleasdale won from Mrs. Goodland and D. Ryall, 15-11. McAdam and D. Bleasdale won from Mrs. Goodland and D. Ryall, 15-10. Miss Butterfield and Stewart won from Mrs. Mitchell and Lytton, 15-3. From Mrs. Holmes and S. Ryall, 15-10.

LEO LOMSKI ARRIVES FOR MATCH SATURDAY; WORKS OUT TO-NIGHT

Leo Lomski, known in the fight world as the "Aberdeen Assassin," who will meet Steve Mullins, Olympia heavyweight, in a ten-round bout at the Tillamook gymnasium on Saturday evening, arrived in the city today, accompanied by his wife and youngest child. Soon after his arrival Lomski proceeded to the Uplands Golf Club where a match had been arranged for him with Walter Gravin, Uplands pro. Lomski appeared in first-class fighting trim for his bout Saturday. The former light-heavyweight contender will work out this evening from 8 to 9 o'clock at the gym, and shaped up well. He will go through his paces again this evening from 7 to 8 o'clock.

Horses Valued At Over \$1,000,000 On Exhibit

UNIVERSITY TO PLAY COLLEGE

Squads to Meet in Feature Tussle on Intermediate Rugby Card Saturday

When Victoria College stacks up against University School at the Mount Tolmie grounds on Saturday, the provincial champions will face a different type of squad to any they have met this year. While the University boys will be considerably lighter than the other men the Craigdarroch squad has met, it will also be better organized and most probably much faster.

The Mount Tolmie boys suffered defeat at the hands of Brentwood College in a game in which they shared as much of the play as their opponents, despite the fact they lost a man early in the second half. The losses failed to get the breaks.

Against the improved Oak Bay Wanderers, the school battled to a three-goal all tie.

But the players will face experience, speed, team play and greater weight, when they take the field against the blue and gold squad. The collegians should win.

Blue Bloods From Canada, U.S., Britain, France and Ireland at New York Show

Canadian Military Team Will Seek International Trophy; Germans Missing

New York, Nov. 4.—With an attendance drawn from the leaders of metropolitan society, the National Horse Show opens in Madison Square Garden to-morrow.

For one week the huge fight place will be converted into a brilliantly decorated stable and arena for the pick of show horses and jumpers from the United States, Canada, Great Britain, France and the Irish Free State. Awards aggregating \$100,000 in cash and trophies have attracted an entry list of horses valued at more than \$1,000,000.

The show will reach its peak on the final two nights when military teams from the five countries contest over the difficult jumps for the coveted international military trophies.

FRENCHMEN RETURN

The French officers, winners of the first international military trophy in 1925, are back for the first time in several years, while Great Britain makes its initial appearance since previous days. Canada and the Irish Free State complete the invading forces.

Led by Major Harry D. Chamberlain, the United States army team will attempt to break the jinx which annually has shoved it back into second or third place. In the past two years a triumph for Uncle Sam's jumpers has been spoiled by one horse of the team of three, "German" won last year, but will not be back to defend the trophy.

Woman Selected As Golf Referee

Baltimore, Md., Nov. 4.—A woman has been selected to referee a men's exhibition golf match.

Walter Spaven and Ken Lawson Battle For Caddies' Title

Colwood Youngster and Winner of Medal Honors Will Engage in Thirty-six-hole Match at Gorge Vale Links To-morrow for City Championship; Spaven Turned in 80 to Win Match Yesterday Morning in Quarter-finals; Winner Will Receive Mrs. David Spencer Cup

Ken Lawson, Oak Bay and Uplands, winner of the medal honors on Monday, and Walter Spaven, Colwood, who gained a tie for second place in the qualifying test, will meet to-morrow at the Gorge Vale Club, in the thirty-six-hole final for the city caddies' championship. Following the final the Mrs. David Spencer Cup, emblematic of the title, will be presented to the victor by the donors.

Quarter and semi-final matches were played yesterday over the eighteen-hole course. In the quarter-final round Lawson defeated P. Fletcher, 5 and 4, and then triumphed over L. Derman, 7 and 6, in the semi-finals. Spaven gave a splendid exhibition to win over P. Carlow, 2 and 1, yesterday morning. The Colwood youngster turned in a medal score of 80, consisting of a 37 for the first nine and a 43 coming back. In the afternoon Spaven defeated his younger brother, Bobby, 3 and 2, after an interesting match.

The final of the first flight will also be played to-morrow with B. Hyne opposing F. Bridges. The championship final will get under way at 8:30 o'clock with the first flight finalists following five minutes later.

Walter Spaven's card for yesterday's final round follows:

Out—533543545—37
In—64544555—43—80

THE RESULTS
Yesterday's results and to-morrow's draw follow:

Championship Flight
Ken Lawson defeated P. Fletcher, 5 and 4.

L. Derman defeated A. Reside, 4 and 3.

R. Spaven defeated R. McLennan, 2 and 1.

W. Spaven defeated F. Carlow, 2 and 1.

First Flight
B. Hyne defeated G. Bailey, 6 and 4.

S. Haylock defeated D. Kernode, 2 and 1.

G. Bridges defeated N. Le Poidevin, 6 and 5.

H. Fletcher defeated N. Rennard, 7 and 6.

Second Flight
J. Coe defeated F. Le Poidevin, 3 and 2.

L. Bassanta defeated A. Buckler, 7 and 5.

Third Flight
G. Greenwood defeated A. Gostiller, 1 up.

D. Todd defeated A. Macdonald, at nineteenth.

Fourth Flight
L. Cannon defeated V. Heady, 7 and 6.

B. Bassanta defeated T. Howard, 3 and 2.

Fifth Flight
D. McMillan defeated W. Longworth, 7 and 6.

THIRD ROUND
Championship Flight
Ken Lawson defeated L. Derman, 7 and 6.

W. Spaven defeated R. Spaven, 3 and 2.

First Flight
B. Hyne defeated S. Haylock, 8 and 7.

G. Bridges defeated H. Fletcher, 1 up.

Second Flight
J. Coe defeated L. Bassanta, 4 and 3.

Third Flight
D. Todd defeated G. Greenwood, 5 and 3.

Fourth Flight
F. Bassanta defeated L. Cannon, 7 and 6.

To-morrow's starting times follow:
8:30—Ken Lawson vs. W. Spaven.
8:35—B. Hyne vs. G. Bridges.

OPENING GAMES IN NEW LEAGUE

Recently Organized Saanich and Suburban Basketball League Gets Under Way

To-night will witness the opening of the newly formed Saanich and Suburban Basketball League with two games being played at the Royal Oak Hall. Royal Oak will play hosts to two Colwood teams in the senior and intermediate men's divisions.

Youna Wrestler Draws With Muir

San Diego, Cal., Nov. 4.—Vic Christy, nineteen-year-old Los Angeles wrestler, gained a draw with Bonnie Muir, Australian Heavyweight, in an exhibition here yesterday evening.

Each wrestler gained one fall, and after a little more than seven minutes of grappling after the second, both fell over the ropes into the seats at the ring, and were unable to get back into the ring in the required time. Referee Tom Travers then called the bout a draw.

NEWSPAPER MAN NEW PRESIDENT OF COAST BALL

Hyman Baggerly, Publisher of California Weekly, Heads Pacific Coast League

Given Three-year Contract; Harry A. Williams Resigns After Salary Cut

Sacramento, Nov. 4.—Directors of the Pacific Coast Baseball League turned to the ranks of newspaper publishers yesterday to select a president.

Hyman Baggerly, Los Gatos, publisher of a weekly paper and a San Francisco sports editor, was inducted into office by acclamation to break a hopeless deadlock which the league moguls found themselves in. Baggerly will succeed Harry A. Williams, Los Angeles, president for the last eight years, who was a candidate to succeed himself, but was unable to muster more than four votes.

At the start of the meeting Monday, Williams, former league head and one time principal owner of the Oaks, Oakland voted steadily for J. Cal Ewing, former league head and one time principal owner of the Oaks.

WILLIAMS RESIGNS
Hopefully tied up, the directors got together yesterday and agreed on Baggerly. Action followed the resignation of Williams, who stepped out following notification the salary of the position had been reduced from \$10,000 yearly to \$6,500.

Williams' resignation was effective immediately. The directors then took one ballot and inducted Baggerly, who had previously signified willingness to take over the position.

Baggerly's terms was set at three years. Offices of the league in Los Angeles since 1924 probably will be moved to San Francisco, as the new president has connections in that city and will make his home not far away. Baggerly was noted as a sports authority in San Francisco, during the league's early days. He served as sports editor of the now defunct Bulletin, severing connections in 1916.

A twenty-six-week schedule will be played next season, starting April 5. There was no discussion of splitting the season, in effect since 1928. The plan, however, was expected to be sidetracked in view of the sentiment in favor of adopting a split-week series.

John Freberg Wins Bout With Koloff

Tacoma, Nov. 4.—John Freberg, Seattle, 240-pounder, won a 10-round, 230-pound, in the main event of the mat show here yesterday evening. Koloff won the first fall in the third round with a flying headlock, and Freberg scored falls in the succeeding two rounds each time with a body slam.

POOR PA

BY CLAUDE CAILLAN

"Aunt Julia is so strong-minded an' walks so erect that when she goes anywhere with her husband she looks more like a military escort than a wife."

V.A.C. and Calgary Open Series For Rugby Supremacy

B.C. Champions Are Given Even Chance Of Entering Finals

Vancouver Athletic Club and Altonah-Tigers, Alberta Kings, Battle at Calgary Tomorrow in First of Two-game Series in Western Semi-finals; Norm Burley and Fritz Sandstrom Say Teams Fit; Starting Line-ups Announced

Calgary, Nov. 4.—Sons from the sea shore to-day are battling a foothills squad in the first of a two-game total point series for the right to tackle a prairie team for the Western Canada rugby championship. Vancouver Athletic Club, crossing the mountains for the first time in search of a rugby title, stepped on to the gridiron at 3 o'clock this afternoon in an effort to down Calgary's Altonah-Tigers, Alberta senior champions.

HIGH FIRST TEAM WINS

Scores 11 to 0 Victory Over Second Rugby Fifteen on Fernwood Field

Takes Lead in New Intermediate School Rugby League; Surplis Stars

In the first game of the recently formed Inter-High School Intermediate Rugby League, Victoria High School's two entries clashed yesterday, with the first team winning 11 to 0. The game was played on the Fernwood grounds before a fair crowd. The two other teams in the league are Oak Bay High and University School. Saanich High Schools were unable to field a squad and so were forced to drop from the loop.

Dick Surplis, star first-team three-quarter, opened the scoring early in the first frame with a pretty zig-zagging thirty-five-yard run through a broken field. He put the ball squarely beneath the posts. Ritchie's attempt to convert went wide. Towards the end of the second half Surplis, combining with Gaunt, scored again. Ritchie made the score 11 to 0 with a nice kick. Doherty finished the scoring for the day with a nice try after a number of five-yard scrums. Ritchie failed to add the extra points.

Halkett was by far the outstanding player on the second team, while Gaunt and Surplis played well for the winners.

Harry Smith handled the whistle and the teams were:

V.H.S., first team—Surplis, Ritchie, Temple, Gaunt, Macgregor, Cross, Heaton, Lowe, Guelph, Smith, Rowland, Thompson, Croft, MacDonald, Whitener, Beckett and Ross.

Second team—McKee, Barnes, Ferguson, Halkett, Fraser, Miller, Wallace, Shipton, Brown, Cox, Parfitt, Ishida, Parsons, Simpson, Mabee, Jones and Simpson II.

Oak Bay Women To Compete in Match For Pro's Prizes

The draw for the medal round, to be played for the prizes donated by Phil Taylor for the women who scored in the recent caddies' tournament, at the Victoria Golf Club next Tuesday, follows:

CLASS "A"
Mrs. C. E. Wilson and Mrs. Watson.
Miss Helen Wilson and Miss Benson.
Mrs. Philbrick and Miss Mary Campbell.

Mrs. Godfrey and Mrs. Howard.
Mrs. Hutchinson and Mrs. Peterson.
Mrs. Hadley and Mrs. King.
Mrs. Parry and Mrs. Rithet.

CLASS "B"
Mrs. Squires and Miss Norah Wilson.
Mrs. Ross and Miss Ruth Jones.
Mrs. Musgrave and Mrs. Howell.

Mrs. W. T. Williams and Mrs. Alex. Gillespie.

Mrs. E. D. Todd and Mrs. Peachey.
Mrs. Pangman and Mrs. S. Holm.
Mrs. Hyndman and Mrs. Bagley.

Fine New Curling Rink to Be Opened By Vancouver Club

Word of the opening of a splendid curling arena at Vancouver on November 14 and an invitation to any Victorians interested to attend has been received by Tom McCosh from W. W. Moore, president of the Vancouver Curling Club. The first day will be featured by a match between teams captained by the president and vice-president and the opening "beef and greens" dinner.

Any Victoria curlers who would like to make the trip to Vancouver for the opening are requested to communicate with Mr. McCosh, telephone Empire 6927.

WILL BE SEEN IN ACTION AGAINST VARSITY GRIDDERS

JACK HORNE

Two of the mainstays of the Victoria Canadian rugby team which opposes the University of British Columbia in the final "Big Four" League game at the Royal Athletic Park on Saturday afternoon. Both perform on the halfback line and are hard men to stop. Horne has been a member of the local team since it was first organized, while Hunnings returned to the line-up this season after spending a season in Vancouver.

BRIAN HUNNINGS

London Hockey Club Seeks \$3,500 Damages From Gordon Brydson

London, Ont., Nov. 4.—Statement of claim has been filed here in a Supreme Court civil action brought by the London Hockey Club, against Gordon Brydson, former star right wing player of the London professional hockey team who jumped his contract with the local club to play with an outlaws team in Chicago.

The local company asks for \$3,500 damages and for an injunction barring Brydson from ever playing hockey in Ontario. They bought Brydson from the Toronto Maple Leaf Club for \$3,500.

The action is a test case to prove the power of hockey contracts, and is said to be the first of its kind ever fought in this province.

Gorilla Jones And Odono Piazzi Win Tournament Bouts

Milwaukee, Wis., Nov. 4.—Gorilla Jones, Akron, Ohio, negro, was awarded the judges' decision over George Nichols, the Buffalo southpaw, in the ten-round wind-up event of the quarter-finals in the National Boxing Association middleweight elimination tournament here yesterday evening.

In a ten-round semi-windup Odono Piazzi, middleweight champion of Italy, was awarded the judges' decision over Raoul Rojas, Cuban titleholder. Rojas, who had a two and a half-pound advantage in weight, was defeated by a wide margin.

Officers Re-elected By Vancouver Oarsmen

Vancouver, Nov. 4.—The entire slate of officers of the Vancouver Rowing Club was re-elected at the annual meeting of the organization here yesterday evening. The officers are: President, G. N. Stacey; first vice-president, E. H. Grubbe; second vice-president, R. P. Woodward; directors, T. A. H. Taylor, J. Churchland, G. Kingsley, S. C. Sweeney and G. C. Hodges; secretary, E. J. H. Cardinal; auditor, M. J. Crehan.

MOOSE JAW WILL STAGE PLAY-OFF

Moose Jaw, Sask., Nov. 4.—The western Canada semi-final junior rugby game between Moose Jaw Maroons and Winnipeg Native Sons is on, and Moose Jaw will be the scene of the battle next Saturday.

This announcement was forthcoming yesterday evening following a meeting of the Maroons executive. Announcement was made at the meeting that a sufficient number of public-spirited citizens had come forward to guarantee enough money to bring the Winnipeg team to Moose Jaw. The way is therefore paved for staging the big game.

Young Stribling Scores Knockout

Springfield, Mo., Nov. 4.—W. L. (Young) Stribling won a technical knockout victory yesterday evening over Red Fitzsimmons, Waco, Texas, in the fourth round of a boxing match here. Stribling knocked Fitzsimmons down several times. Stribling weighed 188½ pounds, Fitzsimmons 180.

John Evko Uses a Body Slam to Win

Bellingham, Wash., Nov. 4.—John Evko, 216, Chicago, won the main event over Pietro Racini, 210-pound Italian, in a wrestling card here yesterday evening. Evko threw Racini after three minutes of the fifth round with a backward body slam.

Junior Football

Four matches will be played Saturday afternoon in the Victoria and District Junior Football League. The draw follows:
Royal Oak vs. Duncan at Reynolds Road, Referee Windsor.
Oaklands vs. Victoria Juniors at

New Players Make Detroit Team Strong Contender In N.H.L.

Four Former Ottawa Stars Give Jack Adams Formidable Club for Competition in Major Hockey Circuit; Hec Kilrea, Alex. Connell, Alex. Smith and Danny Cox Will Fill Weak Spots in Falcons; Will Have Three Strong Forward Lines and Sound Defence

Detroit, Nov. 4.—One of those things managers dream about came true for Jack (Smiling Jack) Adams this year. As a result the veteran manager of the Detroit Falcons National League Hockey Club is admitting cheerfully that "prospects look real good."

Far down in the standings last year, Adams' club faced this season with little better prospects. Few good hockey players were available at the price Adams could offer or for that matter at any price.

Then the Ottawa team broke up and four star hockey players—just the ones Adams wanted—fell right into "Smiling Jack's" lap, duty free.

The players, Hec Kilrea, one of hockey's fastest wing men; Alex. Connell, goalie; and Alex. Smith, star defence man, bolstered the Falcons' weakest spots. Danny Cox, who plays either centre or wing, will be used as second or third linesman.

Adams believes he has a squad that will get an even break at the top-notch Boston Bruins. His first forward line, Carson, Cooper and Noble Goodfellow, for whom the Detroit club turned down an offer of \$50,000 from Boston, should rank high again in the scoring column. Last year he was second in the league standings.

GOOD RESERVE LINES

For his second forward line Adams had Hec Kilrea, Tommy Milmore and Johnny Sorrell of last year's squad, and in the third line Cox and Larry Aurie, the latter one of last season's fighting forwards, may team with Bert McInerney, spare defence man, who also plays on the forward line. Smith probably will be teamed with Reg Noble, veteran defence man, at the guard positions. Spare defence men are Frank Peters and Doug Young, the former obtained from the New York Rangers, and the latter from the Cleveland minor league team. The Falcons open the season here November 12 with the New York Rangers.

"For the first time," says Adams, "I

Robin Reed Wins Wrestling Crown

Cleveland, Nov. 4.—Robin Reed, Portland, yesterday evening defeated Pete Metropoulos, Michigan, in a match billed for the welterweight wrestling championship of the Midwest Wrestling Association.

Reed ended the match after forty-two minutes and twenty-five seconds, with a leg jack-knife, a hold he claims to have invented.

BATTALINO TO DEFEND CROWN THIS EVENING

World Featherweight Champion Only Even Choice to Defeat Earl Mastro

Title Battle Will Be Over Ten Rounds; Crowd of 17,000 Anticipated

Chicago, Ill., Nov. 4.—Bat Battalino, the busy boy from Hartford, Conn., risks his prized world featherweight crown against the flying fists of the dangerous Earl Mastro in the punch bowl of the Chicago Stadium to-night.

As the hour approached for their ten-round battle, which promised to be a stirring struggle between force and science, the betting pendulum swung so furiously that it was impossible to distinguish the favorite.

Backed by his Chicago friends, who have watched his rise to power in the featherweight world, Mastro held the champion at least even in the heavy waging.

The battle stretched the imagination of Chicago's fight Rialto and close to 17,000 were expected to watch the first Chicago fighter in thirty-seven years take a shot at the crown Battalino has successfully protected since he captured it from Andrew Routs of France in 1929.

The RECORD SPEAKS FOR ITSELF

Flight-Lieut. J. N. Boothman, flying a seaplane seven times over the 31-mile course at an average speed of 340.08 miles per hour, won for the third time in succession the Schneider Cup race for Great Britain. The Trophy is now the permanent property of the Royal Aero Club of England. It is significant of the enormous strides taken in the field of aeronautics that the 1913 average was 45.25 miles per hour—contrasting sharply with the 1931 average of 340.08 miles per hour.

This is a remarkable tribute to Britain's supremacy in the air—just as continued supremacy among Canadian cigarettes is a tribute to Turret's superior quality, mildness and fragrance.

After all, nothing can replace good, honest tobacco; grown and ripened right out in the field under nature's own sunlight—nothing artificial about that—and the high quality is "inbred".

The Schneider Cup Trophy

The Schneider Cup Trophy, depicted above, is made of gold, silver and bronze and represents the Goddess Zephyr kissing the waves which are crested in the form of men's heads. Originally valued at £1,000, this trophy was presented by M. Jacques Schneider to the "Federation Aeronautique Internationale" in 1912 for the purpose of encouraging the development of sea-going aircraft.

It Is Pure Luck When the Boy and Girl Marriage Turns Out Well—It Is Risky for a Man to Wait Too Long—The Best Time to Wed Is When a Man Is Mature, But Still Young Enough to Be Romantic

A MAN ASKS: "When is the time to marry?" And he cites the cases of two friends of his. One, a boy of seventeen, who had to borrow even the proverbial shoestring on which to marry a girl as poor and young and unsophisticated as he was, yet whose marriage proved a great success. And the other, a man of forty-seven, who waited until he was well established in business and worldly wise and had known many women before he married, yet whose marriage has gone on the rocks.

So my correspondent wants to know at what age a man is best qualified to pick out a wife and most likely to make a happy and successful marriage.

That is a question that it is impossible to answer definitely because there are so many things that are so much more important in marriage than the ages of the high contracting parties. There is intelligence, for one thing, what we call good, hard, horse sense. There is character, and disposition, and philosophy and humor. There is good nature and good sportsmanship. People who have these qualities may marry anywhere between the cradle and the grave and make a go of it.

And if they lack these qualities they will never be young enough to adjust themselves to another individual's personality. And they will never be old enough to learn how to handle a husband or a wife with tact and finesse.

Then there is the matter of money, which is of almost paramount importance in marriage. Some men can afford to marry much earlier than others, just as one can afford to set up a yacht when he is twenty, while another has to wait until he is middle-aged before he has the price and can afford the upkeep of a rowboat.

Of course, it is true that marriage is one of the things in which neither age, brains or previous experience seem of any avail or to teach any wisdom. Every day we see immature men making as foolish marriages as any adolescent boy could make. We see shrewd, hard-headed men of affairs, who would not go into the smallest trade without investigating every detail of it, marrying women of whom they know absolutely nothing, except that they are pretty faces and a keen line of Polly. We see men who have been bitterly unhappy in their first marriages and who, one would think, would be like the burnt child who dreads the fire, rushing from the divorce court into a second marriage that has no more promise of success than their first one had.

However, for all of that, there is a time of marrying, and a time for staying single and, in my opinion, the preferred time for a man to embark on the sea of matrimony is when he is around the thirties. Then, if ever, he has found himself. His tastes are settled and he knows the kind of woman he wants for a wife. He is still young enough to be romantic, but he is past the calf love stage when he thinks he is in love with every passing flapper.

He is established in business and is making enough to support a family in decent comfort, so he can enjoy his wife and children instead of their being a crushing burden on him. Above all, he has had his fling and he is ready to settle down and be a fireside companion instead of expecting his wife to stay at home and mind the children while he steps out of an evening.

There are exceptions to all rules, and occasionally the boy-and-girl marriage does turn out happily, but when it does it is pure luck. For it is mere chance when they develop along the same lines.

Nearly always one outgrows the other and by the time they are grown up they have fought their way to the divorce court or else one of them is doomed to the unspeakable horror of being chained for life to the corpse of a dead love. Heaven knows there are enough risks in marriage anyway without a boy or girl gambling on what they are going to be themselves and what they are going to need in a life partner when they are men and women.

There are also cases in which young people who marry without a penny between them, somehow manage to subsist on a bread and cheese and kisses diet, and are happy and content and pull through to prosperity. But it takes a nobility of soul and a strength of character to do this that not many youngsters possess. Also it is only the grand passion that can survive such an ordeal, and the men and women who are capable of a great self-sacrificing love are few and far between.

It is the little pinching economies. The drabness of life when one cannot afford any of the amusements to which one has been accustomed. The shabby old clothes. The ugly surroundings. The cheap furniture. The poor food. The installment man. The rent collector. The fear of the future that gets on the nerves of those who have married without an adequate financial plank in the matrimonial platform and that breaks down their morale and kills their love and makes each reproach the other with their misfortune.

But if it is hazardous to marry too young, it is equally risky to wait too long to marry, because it is just as necessary to bring romance to marriage as it is to bring maturity of judgment and an adequate support for a family and, alas, our dreams and our illusions vanish as we grow older. We become set in our ways and self-centred and in time come to the place where we love none but ourselves.

So the ideal time for a man to marry is after he has looked 'em over and is sure of his choice and when he is settled in his life job but while he has still plenty of thrills left in his system and takes more interest in his heart than he does in his digestion.

Uncle Ray's Corner

A Wizard of Plant Life

"I shall be content if, because of me, there shall be better fruits and fairer flowers."

Thus spoke Luther Burbank, years ago.

Burbank holding some of his improved oats

a small farm about fifty miles from San Francisco. In this beautiful section of California, which seemed to him "like Paradise," he carried on a long series of trials and tests with fruit trees, vegetables and flowers—even with weeds.

Among the products of Burbank's tests were the plumcot, the primus berry, the Shasta daisy and "sorghum pop."

"Sorghum pop" was a new kind of popcorn—when popped, no hard part of the kernel was left. This corn was obtained by crossing sweet corn with Kaffir corn.

The Shasta daisy arose from a crossing of English and American daisies with the pure white Japanese daisy. The Shasta daisy has a golden centre from four to six inches wide, surrounded by white petals.

The primus berry was produced by crossing California dewberries with Siberian raspberries.

One of the most interesting plants Burbank gave to the world is the plumcot, a cross between a plum and an apricot. The plumcot has a delicious flavor. The fleshy part varies in color, being sometimes yellow, sometimes pink, red or white.

With the thought of making the desert castus useful, Burbank carried on trials over a period of sixteen years to produce a castus plant without spines. He at length succeeded in growing a "spineless castus" which would serve as food for cattle.

Thus when Burbank died at the age of seventy-seven he had given to the human race "better fruits and fairer flowers."

George Arliss Playing In "Alexander Hamilton"

Dominion Theatre Showing Historical Picture With Gifted English Actor in Leading Role

Many have been the attempted analyses of the art of George Arliss, who will be seen at the Dominion Theatre to-day in his latest Warner Bros. starring vehicle "Alexander Hamilton." The latest of them has been made by an English critic who finds that one of the essential secrets is the actor's use of his hands.

Mr. Arliss was asked about this, he smiled and declined to commit himself beyond an agreement that the use of the hands is of great importance in interpreting a character on stage or screen. But his considered judgment is that everything is important that enters into good acting—the voice, the pauses, the facial expressions, the bodily attitude. Among these elements the hands are certainly not least important.

The English critic was inspired by a study of the play of the Arliss hands in "Old English." In that picture the physical manifestations of the aged though still active-minded and worldly Sylvanus Heythorpe are certainly to be observed, to a large extent, in the use of his hands.

In "Disraeli" and "The Green Goddess" similar characterization through ten ordinary human fingers, such as we all possess, was achieved. And in "The Millionaire," and "Alexander Hamilton" the same Arliss artistry is to be observed.

CAPITOL THEATRE

A duel with sabers between Warren William and Alan Mowbray, two of the most accomplished athletes of the screen, forms the dramatic and spectacular climax of "The Honor of the Family," the first National picture now showing at the Capitol Theatre. A saber duel is agreed to be one of the most dangerous feats ever demanded of film players in as much as the cameras demand absolute realism in attack and defence, and the duelists can not take advantage of the protective masks and vests usually worn when sword play is indulged in as a sport. A surgeon was in constant attendance throughout the entire day required to film this scene.

CLEVER SHOW IS PROMISED

Old Favorites Will Make Dumbbells' Revue "As You Were" a Popular One

The Dumbbells in "As You Were" will play in Victoria next week at the Royal Victoria Theatre. They are returning with an all-male show, the audiences throughout Canada having demanded last season that the band of ex-soldier entertainers eliminate the ladies that had joined their company and return with the same cast with which they were so popular during the ten years that followed the war. The Dumbbells will play here next Monday, Tuesday and Wednesday evenings with a matinee performance on Wednesday afternoon.

"As You Were" brings back those famous impersonators, Ross Hamilton and Glenn Allan, of fond memories, and Don Romane of international fame as a delineator of ebony-hued brunettes.

The new all-male show also brings back the stage orchestra, once so popular a feature with The Dumbbells. The present band is composed of ten of Canada's leading musicians.

"As You Were" also serves to unite those three original stars, Al Plunkett, "Red" Newman and Ross Hamilton, at the head of the finest cast that ever trocked under The Dumbbells trade mark.

PLAYHOUSE THEATRE

One of those agreeable reunions that make Hollywood studio life so interesting, took place during the filming of "Divorce Among Friends," the Warner Bros. and Vitaphone production now at the Playhouse Theatre.

Years ago, when Del Ruth first came to Hollywood from a reporter and cartooning position on a Philadelphia newspaper, his first job was writing two reel comedies for Mack Sennett. Lew Cody was among those who starred in the newcomer's first productions.

COLUMBIA THEATRE

Though she had studied ball-room dancing in Chicago and had dreamed of a stage career, Sue Carol's entry into motion pictures was totally unexpected, and was looked upon simply as a lark. Her first appearance registered so successfully, however, that she was given the leading ingenue role in her second picture, and was immediately established as a screen favorite. Her latest appearance is in the leading feminine role of University's newspaper drama, "Graft," now playing at the Columbia Theatre.

COLISEUM THEATRE

In his immensely amusing incident at the telephone, Leslie Henson, the brilliant English comedian in "A Warm Corner," now showing at the Coliseum, has one of the longest close-ups ever made. He spends four minutes at the phone and manages to keep the audience in continuous laughter. This is a real feat of acting. Victorians will have the opportunity of seeing this fine artist for the first time on the talking screen at the Coliseum.

Among an all-star British comedy cast will be Connie Ediss, the famous old Gaiety Theatre star, who has been amusing the English speaking stage for over thirty years, and Heather Thatcher, one of our most beautiful and victorious actresses of the light comedy stage.
